Hello,
I'm a direct descendant of George & Lucinda & have spent years compiling documentation as well as gathering photos of them & their children. They are my 3rd gr. grandparents.
How are you related?
Sandy

Hi Sandy:
I am so glad to hear from you. My husband Edward James Leach, Jr., is descended from the Conards.

This shows his relationship: George Nelson Conard & Lucinda Meyers' daughter, Amanda, married James W. Jones. Their daughter, Lulu A. Jones, married William Chandler. Their daughter, Vera Eleanor Chandler married Edward James Leach, Sr. Their son, Edward James Leach, Jr., is my husband. Vera Eleanor Chandler had a sister, Dorothy.

Dorothy had 2 children, Geoff Howes and Jane Howes Flint. We met the 2 cousins in Clinton, Iowa, several years ago for a reunion. We were able to visit the cemetery in Clinton where members of the Conard family were buried.

Which of George & Lucinda's children was your ancestor?
Betty Leach
I look forward to hearing from you again.

Hi Betty! I found an old query you posted long ago at the NewEnglandAncestors.org website. You were inquiring about George Nelson Conard & Lucinda Myers. From there, I looked for you & found a reference to you & your husband in a pdf doc. for Harbor Lights Power Squadron & it said that you two were taking boating lessons in 1990. I couldn't find out if you were still living in that area though but then thought you might have posted something on ancestry.com & sure enough, you did.

I stem from Geo. & Lucinda's daughter, Sarah (Sadie) Conard. She married Albert McMahon. They settled in the Lisbon/Mt. Vernon area of Linn County & are buried in Mt. Vernon cemetery with their daughter Pearl, who is my gr. grandmother.

Lucinda's parents were Frederick Myers & Mary Riffee/Riffy.
George & Lucinda had the following children:
Amanda J.
Isaac Newton: b. July 6, 1854
Ida E.: b. Jan. 10, 1857
John W.: b. Aug. 23, 1859
Sarah Mae: b. Dec. 10, 1861
Lillian (Lilly) Gerusha Conard: b. Aug. 10, 1864
Minnie J.: b. June 10, 1867
Maude J.: b. Sept. 13, 1869
Clarence B.: b. Oct. 11, 1876

I have the Conard lineage back to the immigrant, Thones Kunders, who came from Krefeld, Germany, on the ship called, Concord. Back in 2000, I met a man by the name of Erik P. Conard, who performed extensive research on the lineage, along with another woman. He helped me tremendously when I was attempting to link George Nelson Conard to his father, John Anthony Conard. I tried everything to prove it, in order to qualify for the DAR but they initially rejected my application. With Erik's help, along with another DAR member, they went through the process of elimination for every Conard male in the state of Ohio, proving that John was the only one who could've been his father & then my app was approved!

John's first wife, who is George Nelson's mother, was Eleanor Gregg. She died when George was a toddler, in 1833. Erik found her gravestone in Licking Co., OH but it's unreadable now.

John re-married to a Jane Willis in Knox Co., OH, & they had a son named Willis D. Conard. John & Jane removed to the Iowa City area in 1856 & land was purchased. At the age of 61, John signed up with the "Graybeard Regiment", 37th Inf., Co. D, which consisted entirely of older men. They guarded Confederate prisoners. His military diet must've been awful because he suffered health problems afterwards. The govt. never even compensated

The Chicago library won't loan out any newspaper dated prior to 1900. One might be found for Amanda but you'd have to pay the $5.25 photocopy fee plus $5.00 handling if found. They will search up to two newspapers for three days following the date of death.
http://www.chipublib.org/branch/details/library/harold-washington/p/Gisnewspapers/

As I go through the remnants of my documents, I realize that this is a huge undertaking, and I'm finding typing mistakes made, etc. I had entered everything into a familytree database in 2001 but lost it when I upgraded to a new computer that didn't have a floppy disk & also switched to rootsmagic for genealogy records. I never had the heart to re-type everything, so you'll be getting photocopies with some corrections & additions. Sorry about that!

I also have an extra copy of the Gregg genealogy book & it's doubtful that one of my daughters will ever be interested in it, so I'll send it to you. The author did not know about our Eleanor Gregg at the time of the writing but it gives Eleanor's lineage back to the 1600s Ireland. (Eleanor was the mother of George Nelson Conard)

I also hung on to all of my email exchanges with Erik P. Conard--one of the experts on our Conard lineage. Some I'll just photocopy because what he says is interesting & others I'll combine & re-type. Most of it dealt with me trying to prove the connection between Geo. Nelson Conard & John A. Conard, his father. Erik was a tremendous help in mentoring me. The amount of paperwork is a bit overwhelming right now but I'm plowing through it. In all honesty, my favorite part of genealogy is in the hunt; not in the organization of the findings--ha ha

him with pay for his service! (I have his obit) I have his wife Jane's pension file, which was filed from Oakland, CA, which is where she & son Willis had migrated after John's death. Willis had 3 sons but none of them married, so that line ended in CA.

I have photos of John's military grave stone in Oakland Cemetery in Iowa City. I went there in 2003 but couldn't make it to Clinton because my dad died during that trip & I had to fly back to CA. John's stone is among 3 other Civil War stones. The stone is not readable but by feeling with my fingers, I could make out his name & unit. The cemetery office has his burial card on file.

I also have a photo of the grave stone of John's father, Anthony Conard, that is located in Utica, OH.
I also have the obit for Geo. Nelson Conard, in case you've not seen it.
Plus, I have oodles of photographs! I inherited an antique tin-type of George Nelson Conard. I made a copy negative of it & then made prints in my darkroom. After tracking down another cousin, I received photos of Lucinda. I have photos of the following children:
Sarah (my gr. gr. grandmother) Lots of them.
Ida (she & husband Frank Townsend are also buried in Springdale Cem. in Clinton.)
Minnie
Lillian
Maude

I have the bible record of the marriage of George & Lucinda.
I have the CW pension file for Jane, wife/widow of John Conard.
The marriage of John & Eleanor Gregg in Loudoun Co., VA.

I will put together a bundle for you but all I ask is that you reimburse for some paper copies I'll need to make & the postage. Money is so tight right now.

Also, do you have a photo of Amanda Conard or Lulu Jones?
Can you hook me up with Geoff Howes & Jane Howes Flint?

Hi again:
I am truly impressed with the material you have accumulated. We will happily reimburse you for any costs. Just let us know.

Ed's youngest son, Mike Leach, lives in Coeur d' Alene, ID; so we have spent the last 5 summers here. We moved to Colorado last August when daughter, Pam & her husband, moved their business to Castle Rock. We were living on San Juan Island, Washington, when you first found us. We moved back to California in 1997. We lived and worked in Hayward, California, for about 26 years.

Our address until late August is 1383 W. Bering Drive, Coeur d' Alene, ID 83815. We use our cell phones while we are here. Ed's cell phone # is 720-252-0244 and mine is 720-252-0443. Our address in Colorado is 3959 Shane Valley Trail, Castle Rock, CO 80109, phone 720-542-9768.

In December, we received a card from Geoff's daughter, and she wrote that her mother had died and that her father wasn't well. We lost track of Jane, but the last address we had was in the Washington, DC, area. I will try to find her through superpages.com.

We spent several days in Ohio doing research in 1989. We went to Licking Co. and Knox Co., but we didn't connect any dots. There were so many Conards in Ohio, and we didn't have enough information to get futher than George & Lucinda. Amanda died in Chicago, but she is buried with her family in Clinton. She died in 1890. Ed's mother, Vera Eleanor Chandler Leach, died young (in her 30's) with ovarian cancer. She was buried in Rockford, IL. She was buried alone in Rockford, so we had her remains moved to Havana, Sargent Co., North Dakota, where her deceased family members are buried.

The only genealogy records that I have are in Colorado, but I will see what I have on my computer here. We have pictures from the cemetery in Clinton, and we have a picture of Lulu Jones Chandler. She lived with her daughter, Dorothy and her family, in Michigan until her death.

We are thrilled that you found us. We have been stalled on the Conard line for so long.

I will see what I have here, and I will call you tomorrow, Saturday, when I can talk longer on my cell. I will also check for the Conard data in my computer.

Thanks again for finding us

Betty & Ed Leach

Congratulations on getting into the DAR.

Hi, thanks for the information!

I've just put in a request for obits from Clinton newspapers on: Lillian Conard-Jones; James W. Jones; Amanda Jones; Lillian B. Easterly & Alfred Carter Jones.

Also, the Chicago Public Library has certain newspapers that can be seen through inter-library loan. I'm going to try to order reels for Lillian, who shows up in the IL state archives database, as Lillian Gay Jones, dying Dec. 8, 1949. This might be her but my aunt said her middle name was Gerusha, although it may have been shortened to Gay & she thought Lillian died in 1950/51. My aunt was incorrect on our Lucinda Myers, so she may have been wrong about Lillian. Also a reel for Lillian's husband Alfred C. Jones, as well as for your James. I have library books to return anyway, so this is no problem. Besides,

1910 census; Lillian G. Jones; Chicago, Ward 14, Cook Co., IL, age 47, b. Iowa, f. b. VA, m. b. OH; living with Lillian were Floyd A. Jones, son, age 19, b. Iowa, f.b. Missouri, m.b. Iowa, Accountant; Marie L. Jones, daughter, age 17, b. IL, Stenographer; Edith B. Jones, daughter, age 15, b. IL; Clarence C. Jones, son, age 13; Cecil A. Jones, daughter, age 6; Minnie Cummings, daughter, age 23, b. IL; Warren J. Cummings, grandson, age 4, b. IL, f&m b. IL; Lois (Louisa) Cummings; granddaughter, b. IL; f&m b. IL.

Enumerated 21 April 1910. Supplemental Census of same area done on 27th & 28th April 1910. (I don't know the reason for the supplemental, but it was there.) Granddaughter was Lois on the 1st one & Louisa on the 2nd one. Other discrepancies exist: Supplemental gave Lillian's age as 49 & birth states of f. & m. were reversed.

1920 Census enumerated 2nd of January 1920, Ward 23 Chicago, Cook County, IL; Lillian Jones, {name William Jones was mentioned below her name}, age 53, b. IA, f. b. OH, m. b. VA; renting on Cornel(?sp.) Ave., living with her were Marie R. Jones, daughter, age 27, b. IL, f. b. MO, m. b. IA; Cecil A. Jones, daughter, age 15, b. IL, f. b. MO, m. b. IA.

1930 census list contained some Lillian Joneses, but they didn't appear to be Lillian G. Jones, widow of Alfred Carter Jones; however, I will check more this afternoon.

Ed & Mike are out fishing. They had 4 trout awhile ago.

I'm on way to the Kroc for exercise now, but I'm going by the bookstore for a copy of the "Family Tree" magazine.

I bought a copy of the "Fat Belly Cure", Jorge Cruise, yesterday. It looked like he's for cutting carbs. I'm going to pass it on to daughter, Paula, if she's receptive to a weight loss plan. Nothing has worked for her so far.

One important development has been reconnecting with Jane yesterday. Cousins are very important in a family. I realized that especially when I lost a cousin last December. Thanks, Betty

You've some amazing experiences in your genealogy trek.bjl

Yes, I have those census records but thanks anyway. I sent Ed another email with lots of stuff; some are news articles, so check it.

I sure hope that your daughter is receptive to the belly fat cure. It certainly opened my eyes to the dangers of sugar, etc.

My husband left this morning around 4:30 to go fishing out on the Delta. He goes fishing regularly--every weekend it seems. We have a stocked lake which is only two blocks from our home, so he's taken advantage of that by using his bass boat & has blessed many men with fun on that lake.

What's your maiden name? I'm assuming that your first name is actually Elizabeth. I typed up a sheet for Ed showing his kinship to the Conard immigrant but I need to put your full name with his.

Hi again:
My maiden name was Betty Jean Zoodsma. Unfortunately, my given name was not Elizabeth. My paternal grandparents immigrated from Friesland (northern part of the Netherlands). May maternal grandfather immigrated from Denmark. So my heritage is mostly north European.
My 1st day on Ancestry a message came from Klaas 1, he had been researching in Friesland for 42 years. He wanted information on my grandfather and my father. He had the whole ancestry laid out. We were related but not close.

Ed & I were married on Thanksgiving day, 1973. It was the 2nd marriage for both of us.

Edward James Leach, Jr., was b. 24 Aug 1925, Rockford, IL.
Ed married Helen Eilene Brandsted, daughter of Charles Glen Brandsted and Mary Lucretia Monroe 20 Aug 1947, Fargo, Cass County, North Dakota. Helen was born 3 May 1924, Miller, Hand Co., South Dakota. The marriage ended in divorce.

They had the following 4 children:
Barbara Ann Leach, b. 14 Oct. 1948; married Bruce Alan Mattoch, son of Charles Albert Mattoch & Phyllis Sylvia Becker on 2 Sep 1967, Hayward, CA. They had 2 children, Charles Bruce Mattoch, b. 21 Jan 1968, Hayward, CA; Virginia Haley Mattoch, b. 4 Jun 1972. The marriage ended in divorce.

Barbara didn't remarry. She chose to shorten her original surname to Lea. So she is legally Barbara Ann Lea.

James Charles Leach b.30 Dec 1950, Fargo, ND. James m. Deborah Lee-Ann Elstrom on 18 Jun 1983 in Fremont, Alameda Co., CA Deborah was b. 13 Aug 1957, Oakland, Alameda Co., CA. They had no children. (Debbie had 2 children by a previous marriage.)

Douglas John Leach was b. 26 Oct 1952, Fargo, ND, M. Sharon Gloria Botelho, 25 Mar 1972, Hayward, Alameda Co., CA. Sharon was b. 20 Feb 1952, Oakland, CA. They had 2 sons Marc Douglas Leach b. 1 Aug 1979, Hayward, CA; Andrew John Leach b. 15 Apr 1983, Hayward, CA. (Neither Marc nor Andrew are married.)

Michael Cecil Leach b. 26 Jul 1956. m Renee Elaine Pletka, daughter of Raymond Richard Pletka & Janith Elaine Borch, 4 Jul 1991, Fremont, CA. Renee was b. 24 Sep 1962, Gary, Lake Co., IN. They had one child: Victoria Lynn Leach, b. 17 Dec 1992 in Hayward, Alameda Co., CA.

Edward also married Betty Jean Zoodsma, daughter of Claus Seetze Zoodsma & Dorothy Ruth Christenson, 22 Nov 1973, Zephyr Cove, Douglas Co., Nevada. Betty was b. 1 Apr 1925, Redfield, Spink Co., SD.

Mike lived in Coeur d' Alene, so we decided 6 years to spend our summers here. Mike is Ed's fishing buddy. It sounds as though your husband is an avid fisherman.

I still have to call Ed's two living sisters and tell them about what is going on. If you want, I'll give you their information in the next response.

I had two children by a previous marriage. Of course, they not are not related to Ed's line. Just to acquait yourself with me, their maiden names were Paula & Pamela Downer.

2 hours later
I talked to Sally Leach Latimer this evening. She had talked to Jane who did find the snapshot of Lulu.
Jane will be sending us a copy. Sally will send me a picture of Vera Eleanor Chandler Leach who was Amanda's granddaughter. Ed's mother was really a very attractive person. I will send copies of the pictures on to you when I receive them.

I talked to my son-in-law who worked with computer manufacturers for many years before they went into their own business. I asked him if I bought a new genealogy program if there a way to transfer the data to a new program. He said that if your program export capability works with the import capability of the new program they could be transferred. My program is okay, but it is old an I would like to get a new one. I just couldn't face the thousands of hours it would take to reenter all that data. Now I have another problem to solve. Betty

Thank!
I can't remember exactly why I didn't stay with the familytree software but it may have been due to the fact that my version was so old & they were offering only an upgrade for a later-released-version. You just might run into the same problem.

I found Alfred C. Jones & Lillian Conard's daughter, Hazel Jones, b. June 30, 1885. She married Harry Edward Wing in abt. 1909. They are in the 1910 Chicago Census. My gr. gr. uncle, Van Leber is living with them! He married Sadie Conard's granddaughter, Olive Lucinda McMahon. I loved Olive & Van when I was a child. They lived in Beverly Hills, Berkeley & S.F.

Anyway, Harry Wing did quite well for himself. In 1930 Deerfield, Lake Co., IL, he owned a $25,000 home & was an executive for an electric power & light company. Their adopted daughter Shirley is five yrs. old.

Hazel (Jones) Wing, d. July 26, 1973 in Rancho Santa Fe, San Diego, CA.
Harry Wing b. Aug. 22, 1882 IL; d. June 24, 1964 in San Diego.

Harry's WWII draft card shows that they were living in Deerfield, IL, in 1942. He was an employer with the Commonwealth Edison Co. in Chicago. His nearest relative was his wife, Hazel J. Wing of Deerfield.

Wow! Harry & Hazel really did well. When we were in Southern California Rancho was regarded as quite expensive & exclusive. We did trade shows in San Diego & Del Mar for at least 5 years from 2001 to 2006.

But now I'm back to genealogy. I can spend 3 hours roaming around Ancestry, and it seems like only an hour. I'm readdicted. It helps to get frequent rewards with new information.

Was T.K. Myers & family who were listed below George Nelson & Lucinda on the 1860 census relatives of Lucinda? The Amanda E. listed with them made me wonder. The names "Lucinda & Amanda" seem to run all through the Conard family.

I really felt that I gave you way more information than you really wanted yesterday. Also, I never tell people how old I am since I feel that some regard our ages as being really really "over the hill" & that we should be on a shelf somewhere. (When I used white pages.com to find Jane Flint's #, I was amazed at the information available for free. It evern went so far as to show a picture of her street in DC.)

About 4 summers, Ed & I did 16 month calenders. We did 2 of them, one each for Leach & Zoodsma et al. Each month had family pictures. We'll check with Mike to see if his copy is handy. If it is, I will borrow it and make copies of relevant ancestors at Office Max tomorrow.

Do you have information about William A. Chandler, Lulu's husband? If you don't, I have data available.

I don't know where to start looking for a new program, but I better find out. Finding one probably won't be easy. Betty

I'm addicted to the hunt ALWAYS! Those calendars sound cool. Also, I figured you & Ed were up there in age & I'm impressed with how well you're doing, so bravo!!!

Google earth is a kick because you can see the actual homes.

That T.K. Myers is actually Lucinda's brother, Frederick (Fred). I haven't dug through the Myers stuff yet but I don't have much. There's a family tree on rootsweb & the woman who posted it, is a direct descendant of Fred. She was looking for Lucinda, who was called "Sidney Conrad" in Fred's obit. I don't know how she got back centuries with the Myers lineage. I should re-contact her. I think that her name is Mickey Downey. Unfortunately, she didn't list any of the sources for her information. We simply exchanged info. on Lucinda & Fred. That was probably around the time when things with us were crazy; too many irons in the fire.

I have no info. on Wm. Chandler at this time.

Before you change genealogy programs, make sure that you have a hard copy of everything. That sure saved me!

Hey, check Ed's email. I sent him a scanned treat!

Thanks for the e-mail. It's really fascinating to get these important family photos.

Mike had his calendar handy, so I'll copy the relevant pictures at Office Max tomorrow. I'll be talking to Jane Flint in the next day or two, so I'll ask if she's mailed the snapshot of Lulu yet. We are probably going to do another calendar with recent pictures of the grown

Hi,

Believe it or not, I was born in Castro Valley (1955) & grew up in Hayward! I moved away from home & met my husband in Montana but we settled in Wyoming for years. In 1989, we migrated back to my hometown of Hayward, which is where my parents still lived. The entire town was depressed & we were not impressed but were starting over & dealt with it. That Hayward connection is weird, eh? You were right there but we didn't know it!

Yes, this contact with you is exciting! My dining room table is filled with photographs & documents right now. Over the years I've compiled the records for other cousins but never organized a binder for myself. I never even put it into a genealogy database, as has been done for everyone else, including genie clients. It's been a passionate hobby of mine since I started digging into a family secret back in 1998. (My father was illegitimate)

Anyway, I wonder if anyone has a photo of Amanda Conard, yet seeing one of Lulu is just as fun. It's a kick to see the facial features passed down, if at all. Your husband & I have an elderly cousin in Oregon--Shirley Tracy. Her grandmother was Maude Conard--daughter of Geo. N. Conard & Lucinda Myers, as well as Amanda's younger sister. She, too, had hoped one day to find out about the Conard lineage but her daughter, who's a Mormon, tried & decided it was too difficult and stopped the research. When I hooked up with Erik P. Conard (now deceased), it was a wild ride because he'd lost track of George's father, John A. Conard. He'd spent over 45 yrs. compiling every bit of data on Conard/Connard/Cunard, Conrad, etc., in the U.S. He was extremely excited to hear from me & not only did he mentor me but together we filled in a missing piece of the puzzle! I could not have done it w/o him & to this day, I miss his brainy banter. I saved every email we exchanged & was looking through it today. It made me smile because it was truly a student/teacher relationship. I told him that I cut my teeth on genealogy through him.

I look forward to receiving a call tomorrow. I should be available after 10:00 a.m.
Is Edward interested in the genealogy or are you the one bitten with the bug? Just curious. My husband loved the photos & any stories I uncovered on his own lineage. The rest of it--he couldn't care less.

Sandy

Hi Betty! I found an old query you posted long ago at the NewEnglandAncestors.org website. You were inquiring about George Nelson Conard & Lucinda Myers. From there, I looked for you & found a reference to you & your husband in a pdf doc. for Harbor Lights Power Squadron & it said that you two were taking boating lessons in 1990. I couldn't find out if you were still living in that area though but then thought you might have posted something on ancestry.com & sure enough, you did.

I stem from Geo. & Lucinda's daughter, Sarah (Sadie) Conard. She married Albert McMahon. They settled in the Lisbon/Mt. Vernon area of Linn County & are buried in Mt. Vernon cemetery with their daughter Pearl, who is my gr. grandmother.

Lucinda's parents were Frederick Myers & Mary Riffee/Riffy.
George & Lucinda had the following children:
Amanda J.
Isaac Newton: b. July 6, 1854
Ida E.: b. Jan. 10, 1857
John W.: b. Aug. 23, 1859
Sarah Mae: b. Dec. 10, 1861
Lillian (Lilly) Gerusha Conard: b. Aug. 10, 1864
Minnie J.: b. June 10, 1867
Maude J.: b. Sept. 13, 1869
Clarence B.: b. Oct. 11, 1876

I have the Conard lineage back to the immigrant, Thones Kunders, who came from Krefeld, Germany, on the ship called, Concord. Back in 2000, I met a man by the name of Erik P. Conard, who performed extensive research on the lineage, along with another woman. He helped me tremendously when I was attempting to link George Nelson Conard to his father, John Anthony Conard. I tried everything to prove it, in order to qualify for the DAR but they initially rejected my application. With Erik's help, along with another DAR member, they went through the process of elimination for every Conard male in the state of Ohio, proving that John was the only one who could've been his father & then my app was approved!

John's first wife, who is George Nelson's mother, was Eleanor Gregg. She died when George was a toddler, in 1833. Erik found her gravestone in Licking Co., OH but it's unreadable now.

John re-married to a Jane Willis in Knox Co., OH, & they had a son named Willis D. Conard. John & Jane removed to the Iowa City area in 1856 & land was purchased. At the age of 61, John signed up with the "Graybeard Regiment", 37th Inf., Co. D, which consisted entirely of older men. They guarded Confederate prisoners. His military diet must've been awful because he suffered health problems afterwards. The govt. never even compensated him with pay for his service! (I have his obit) I have his wife Jane's pension file, which was filed from Oakland, CA, which is where she & son Willis had migrated after John's death. Willis had 3 sons but none of them married, so that line ended in CA.

I have photos of John's military grave stone in Oakland Cemetery in Iowa City. I went there in 2003 but couldn't make it to Clinton because my dad died during that trip & I had to fly back to CA. John's stone is among 3 other Civil War stones. The stone is not readable but by feeling with my fingers, I could make out his name & unit. The cemetery office has his burial card on file.

I also have a photo of the grave stone of John's father, Anthony Conard, that is located in Utica, OH.
I also have the obit for Geo. Nelson Conard, in case you've not seen it.
Plus, I have oodles of photographs! I inherited an antique tin-type of George Nelson Conard. I made a copy negative of it & then made prints in my darkroom. After tracking down another cousin, I received photos of Lucinda. I have photos of the following children:
Sarah (my gr. gr. grandmother) Lots of them.
Ida (she & husband Frank Townsend are also buried in Springdale Cem. in Clinton.)
Minnie
Lillian
Maude

I have the bible record of the marriage of George & Lucinda.
I have the CW pension file for Jane, wife/widow of John Conard.
The marriage of John & Eleanor Gregg in Loudoun Co., VA.

Hi Sandy:
I am so glad to hear from you. My husband Edward James Leach, Jr., is descended from the Conards.

This shows his relationship: George Nelson Conard & Lucinda Meyers' daughter, Amanda, married James W. Jones. Their daughter, Lulu A. Jones, married William Chandler. Their daughter, Vera Eleanor Chandler married Edward James Leach, Sr. Their son, Edward James Leach, Jr., is my husband. Vera Eleanor Chandler had a sister, Dorothy.

Dorothy had 2 children, Geoff Howes and Jane Howes Flint. We met the 2 cousins in Clinton, Iowa, several years ago for a reunion. We were able to visit the cemetery in Clinton where members of the Conard family were buried.

Which of George & Lucinda's children was your ancestor?
Betty Leach
I look forward to hearing from you again.

Here I am again.

Ed & I are both excited about the Conard/Myers connection with you. We long ago decided that we would never be able to make the connection we needed.

I received a memo from a woman in Hayward who was researching in my one of my material lines. There must be something about the East Bay that likes us.

I really didn't remember what I had in the computer here in Idaho, but I had considerable data on George & Lucinda Conard. We spent time in the Clinton Co. court house looking for records (birth, death & marriage) and where we found a record we entered the # for the document. I found Sarah's marriage record mentioned in my data base. The document showed that they were married 3 Jan 1877, Bert Mc (illegible), m. cert. #7291, Clinton, Iowa.

We don't have a picture of Amanda, but we have a picture of Lulu Jones, Ed's mother, Vera Eleanor Chandler, and, of course, Ed.

I will talk to you tomorrow. Ed & Mike are going fishing, so he won't be here.
Betty

Hi Betty, I've found a cousin of Ed's from his Jones side of the family. The parents of James W. Jones were, Alfred Carter Jones b. 1816 TN & Martha Ann Cockerell b. abt. 1834 KY. They show up in the 1860 Fabius, Knox Co. MO census: A.C. Jones 45, Merchant; $1,500 real estate/$500 personal estate; b. TN
Martha A., 27, b. KY
Sarah, 16, b. MO
Belle, 24, b. MO (a sister of Alfred's ?)
James, 12, b. MO
Alfred, 1, b. MO

Also, they show up in 1870 Clark Co., MO, Washington Twp. Fairmont.

Go Here & check out the surname list for Jones & find Alfred.

Hi, I just realized that Castle Rock is only 37 miles from where our daughter lives in Colorado Springs! She flys me out to see her every year, so perhaps we'll be able to meet on my next trip!
It's just so strange how you lived in Hayward, your daughter lived in Tracy & now you live close to my daughter.

Hi Sandy
This is, indeed, a small world. Yes, Colorado Springs is quite close. Hwy 25 is certainly not crowded. It's a treat after I-5.

We would very much like to meet & visit with you. Please, just don't come to Colorado in June, July or August.

There is only one glitch in the James W. Jones problem. All the data I found in Wayne Kuntz's notes seemed okay for Alfred C. Jones, b. 1816, & his first wife as James W's parents. When I looked at the 1880 census for James W. Jones, Amanda, & Lulu, it showed that his parents were born in Wales. I don't have the International Resources on Ancestry, but I'll get that next October when I renew.

Thank you for your help, and we anxiously await the package you are putting together. Betty

I didn't analyze that 1860 census enough, as I am juggling so much right now, so yes, James & Alfred Jr. are half brothers. That place of birth for the father of James W. Jones as Wales, has to be incorrect. Alfred Jones Sr was born in TN. I did an extensive search for him in 1850 MO and I think that I may have found him.
In Dist. 16, Clinton Co., MO; pg. 421B:
A.E.(C.?) Jones, 34, b. TN; farmer
Nancy, 28, b. MO (could her first or middle name be Elizabeth?
William, 3, b. MO (Is this the middle name of your James?)
The Clinton Co. MO Recorder of Deeds has marriage records from 1847 but Alfred C. Jones Sr. may not show in them due to the son James being born around that time. Anyway, you can either call the recorder or email her (Molly Livingston. Clinton Co. Courthouse, 207 Main St, Plattsburg, MO 64477; molly.livingston@courts.gov
Clinton County MO is in NW MO. Alfred Sr. then lived in NE MO. The state of Iowa is above.
Also, there may be a probate record for Alfred C. Jones Sr. in Clark County, MO. Call the probate clerk in the county courthouse: (660)727-3628 (113 West Court, Kahoka, MO 63445
Also, do you have an obit for your James? What about Amanda?

Hi Sandy:
I don't have an obituary for James & Amanda. They both died in Chicago: Amanda in 1890 and James in 1905. I don't have any back-up records here in Idaho; but when I get back to Colorado, I will see what I have. It's been a long while since we worked with these records, but we are both feeling hopeful that we will find what we need to close the circle. I do have information that I printed from my data base notes sections. They are as follows:

Amanda J. Conard was born about 1852 in Ohio. She died 11 Feb 1890 in Chicago, Cook County, Illinois and was buried in Springdale Cemetery, Clinton, Clinton County, Iowa. Notes section: Death rec., Clinton Co., IA, #2645, bk. 1, p.223, Block 18, Springdale Cemetery, Clinton, Iowa.

Amanda married James W. Jones on 22 March 1871 in Clinton Iowa. James was born about 1847 in Missouri. He died 22 Nov 1905 in Chicago, Cook, Illinois. Notes section: Clinton County, Iowa, marriage rec. #4039; Cook Co., Illinois, death certificate #24472. James is buried in Ringwood Cemetery, Ringwood, Illinois, a small town just north of Chicago. He was a fireman, C&NW Railroad, 1870-71, Clinton, Iowa; city directory, p.85. gave occupation as Locomotive Engineer; lived on Park Ave., Chicago, at time of death. Death certificate #24472, Dept. of Health, City of Chicago. Ae. 58y 8m 14 dd at time of death. Cause of death, carcinoma of head. (1870 census) Clinton, Iowa, living with a number of single men (probably a boarding house), age, 22; occupation, fireman; (1880 census) living in Sac City, Jackson Township, Sac County, Iowa, James Jones, age 33, rr engineer, birth place--Missouri, parents--born in Wales (probably incorrect). Death certificate for Alfred Carter Jones gave birth place of parents as Virginia. "Carter" was born in MS (probably wrong). Source: Death certificate #8046, City of Chicago & census.

Geoff Howes, son of Dorothy Chandler Howes, granddaughter of Lulu (Lula) Jones Chandler (married William Abraham Chandler in Clinton, Iowa); greatson of Amanda Conard and James W. Jones; provided the names of Eva Jones, born 1871, Iowa, & Beatrice Jones, born 1872. These births are not based on any other information. Lulu was living with her daughter, Vera Chandler Leach and family until Vera's death 29 April 1932 from ovarian cancer. After Vera's death, she lived with her daughter, Dorothy and her family, until Lulu'a death on 10 October 1862 in Highland Park, Wayne County, Michigan. She was buried in Evergreen Cemetery, Detroit, Michigan. Her husband, William Abraham Chandler is buried in Lakewood Cemetery, Minneapolis, Henepin County, Minnesota.

James & Amanda's other children were Lulu A. Jones, born 21 Feb 1876; James Earl Jones, born 15 Jun 1881 in Sac City, Iowa. James died 29 Jul 1911, in Clinton,

Iowa. He married 31 Oct 1908 Mabel S. Walker, in Clinton, Iowa, marriage certificate #19184; death certificate #sorry omitted, book 10, page 2, #11

Berniece Jones was born 17 Jun 1885. She died 2 Mar 1908 in Clinton, Iowa. She is buried in Springdale Cemetery, Clinton, Iowa. Name shown as Lillian B. on grave stone & marriage record; name shown as Bernice on 1900 Clinton, Iowa, census gave birth year as 1884. Marriage record was #16554, book 3, page 81.

Lillian G. Conard married Alfred Carter Jones, 9 May 1882, in Clinton, Iowa.

The 1900 census, Chicago Ward 13, Cook County, Illinois, for Alfred Carter Jones & family gave his birth month & year as May 1861; parents birth state given as Missouri (obviously incorrect.) They were living on North Hardin Avenue, (West Town) on the 1900 census.

Clark & Knox Counties, Missouri, are so close to Clinton, Iowa, that it would have been easy to move between states.

Hi, thanks for the information!

I've just put in a request for obits from Clinton newspapers on: Lillian Conard-Jones; James W. Jones; Amanda Jones; Lillian B. Easterly & Alfred Carter Jones.

Also, the Chicago Public Library has certain newspapers that can be seen through inter-library loan. I'm going to try to order reels for Lillian, who shows up in the IL state archives database, as Lillian Gay Jones, dying Dec. 8, 1949. This might be her but my aunt said her middle name was Gerusha, although it may have been shortened to Gay & she thought Lillian died in 1950/51. My aunt was incorrect on our Lucinda Myers, so she may have been wrong about Lillian. Also a reel for Lillian's husband Alfred C. Jones, as well as for your James. I have library books to return anyway, so this is no problem. Besides, it appears to be free!

The Chicago library won't loan out any newspaper dated prior to 1900. One might be found for Amanda but you'd have to pay the $5.25 photocopy fee plus $5.00 handling if found. They will search up to two newspapers for three days following the date of death.
http://www.chipublib.org/branch/details/library/harold-washington/p/Gisnewspapers/

As I go through the remnants of my documents, I realize that this is a huge undertaking, and I'm finding typing mistakes made, etc. I had entered everything into a familytree database in 2001 but lost it when I upgraded to a new computer that didn't have a floppy disk & also switched to rootsmagic for genealogy records. I never had the heart to re-type everything, so you'll be getting photocopies with some corrections & additions. Sorry about that!

I also have an extra copy of the Gregg genealogy book & it's doubtful that one of my daughters will ever be interested in it, so I'll send it to you. The author did not know about our Eleanor Gregg at the time of the writing but it gives Eleanor's lineage back to the 1600s Ireland. (Eleanor was the mother of George Nelson Conard)

I also hung on to all of my email exchanges with Erik P. Conard--one of the experts on our Conard lineage. Some I'll just photocopy because what he says is interesting & others I'll combine & re-type. Most of it dealt with me trying to prove the connection between Geo. Nelson Conard & John A. Conard, his father. Erik was a tremendous help in mentoring me. The amount of paperwork is a bit overwhelming right now but I'm plowing through it. In all honesty, my favorite part of genealogy is in the hunt; not in the organization of the findings--ha ha

Hi Sandy:
I need to learn your "order by mail skills". You are way better about that than I am.

We have to do some errands and go to the Kroc center for a workout. My workout takes from 30 to 40 minutes. When I get home, it's back to the computer for more searching.

I will try to reach Jane Flint, too. She may have some photos; or if she doesn't, she may know who might have some. I don't feel that Geoff can help us, but he did have 6 children. One might be interested in a breakthrough on their grandmother's genealogy. Betty

I recently lost a bunch of weight by cutting out sugar for the most part and eating whole grains, lots of vegs./fiber & drinking enough water. I now walk about 3 miles a day but need to do more of that & work with hand weights. I missed my early morning walk today because I was too hyped-up about the mess on my dining table & as the day went on, it became too hot. I'm really working hard on your project.

I blew it with my request for Alfred C. Jones' obit because I thought he died in the early 1920s. I have no idea when he died, except that Lillian shows as widowed in 1910 Chicago. I finally started digging on her family! Help!!! I need to correct my request & ask again with the right date. Thanks.

Oh, and I am almost done examining everything from the bin where all of my records have been kept. I found photos of the property where Edward's Gregg ancestor lived, along with some old documents. I dropped the ball on that surname but a distant relative was generous years ago. I'll scan the photos, put them on a cd & have some prints made. I'm juggling like crazy here. :)

Congratulations on your exercise routine & the excellent additions to your to your food intake. Exercise always makes me feel better. I've slacked off at times, and it's a high price to pay.

Alfred Carter Jones died 21 Mar 1908, Chicago, IL. He was living at 809 Walnut Street, Chicago, at the time of his death. His occupation was locomotive engineer for the C&NW RR, 1893, City Directory, Clinton, IA. Death Certificate, #8046, Dept. of Health, City of Chicago, Ae. 49 at time of death, birth state given as Mississippi (incorrect), parent's birth place VA (probably incorrect), cause of death. paresis.

I honestly believe that some of the information on death certificate are given by relatives who really don't know the details of birth places, etc.

The 1900 census gave Alfred Carter & Lillian's children born in Illinois with the exception of Floyd who was born in Iowa.

Do you have basic information on George & Lucinda's other children beside your Sarah, Amanda, & Lillian?

Apparently only Amanda & Isaac were born in Ohio. I have the marriage certificate #8063 for Ida & Frank D. Townsend, m.14 May 1879; and #12086 for Minnie & George Belles, m. 16 Jan 1889; and #13430 for Maude Alice & Harry Ray, 16 May 1893. All were married in Clinton, Iowa.

I made a typo on Lulu Chandler's death year in Highland Park, Michigan. She died 10 Oct 1962 NOT 1862. Betty

Thanks for all your work on our behalf. This is really exciting.

Thanks.

I got up to 158 lbs but am now down to my body's normal weight of about 122 lbs. It's a burden carrying around the fat! Jorge Cruise wrote a book, "The Belly Fat Cure", which helped, & so did one by Tosca Reno. My daughter in CO started the process on my last visit to see her. She had a cancer scare & introduced me to juicing kale, carrots, etc., & I do that now. She kept bugging me about my laziness & after she took me on a depressing shopping spree, where I had to look at my fat ass in the dressing room mirror, I finally I got motivated & went gung-ho. What's really funny is how checkers at the grocery store, or my hair cutter, are all commenting on the difference in how I look, and everyone wants to know how I did it. I always tell everyone to lay off the sugar.

I did find Alfred's death in the IL state archives database after all. I'm just juggling too much right now but the adrenaline is pumping! (Conard/Myers/Gregg lineages)

Yes, I have info. on the others & you'll get all of it. I never ordered marriage certs. on anyone except Lucinda & George because I have an actual bible record on all of them, although the entries for James & Alfred & their wives, were too faint to show up. I have death certs. on some of them & obits, too. Thankfully, I did type up notes on each family years ago & included them in family groups.

I've never organized the Myers or Gregg lineages but did meet a cousin who stems from Lucinda's brother, George, and another cousin from her brother Frederick/Fred Myers. Fred's obit called Lucinda, "Sidney Conrad", so that descendant had a terrible time finding Lucinda, until she came across a posting I'd made.

Well, I'm going to go lie down now. Tomorrow I have to go to the LDS center & look at an Italian microfilm for someone else and I don't know that language. Should be a blast, ha ha.

You have done a fantastic job getting your weight under control. I'm really impressed. It's not easy. I have controlled diabetes, so I've had to lay off sugar and other carbs. We have the Kaiser Permanente health plan, and they recommended that we go to at least 2 seminars. One of their main messages was to watch the carbs. A half cup of cooked spagetti isn't much, but I've learned to accept and enjoy what I can have. I now fluctuate between 129 & 130. My

problem is diet controlled, so I don't have to take medication for it.

My older daughter never lost the weight she acquired after her pregnancy 18 years ago. I'm going to share your method and your book suggestions with her. I have to go downtown today, so I'll see if I can buy the one on the "Belly Fat Cure" from Borders for her. In her case, the fat is really hurting her health.

I need to learn your method of finding other descendants of the ancestors I'm researching. I've not been able to get beyond 1840 for Ed's Leach line. I have my Salisbury line stuck at 1785. It is very frustating. I have a lot of clues, but connecting the dots is another thing. In both of these lines, I know there was a family bible, but they are missing and probably lost.

This PM I'm going to look for the children of Lillian & Alfred Carter Jones. This genealogy search is so addicting. I'll see about ordering the marriage record for Amanda & Lillian.

Thanks for all your help. Betty

Lillian's kids, Floyd & Clarence, are in the 1920 census for Chicago. With them, is the son of John W. (Willis) Conard, Elmer Clyde Conard. I have a couple of pics of Clarence & he was really handsome. His full name was, Clarence Conard Jones & he died in Los Angeles. He named his son the same. Floyd died Oct. 1963 in IL.

I found a descendant of Lillian's dau. Edith. Edith married Conrad Bentley. They were married in IL according to the 1920 census for Chicago. Edith died May 19, 1982 in Helena, Lewis & Clark Co., MT. Conrad died same place in Aug. 1976. They had six kids. Their daughter Patricia married William Racicot. Their oldest child, Marc Racicot, was governor of Montana for two terms & was even offered the U.S. Attorney General position at one time.

Lillian's daughter Marie, married a Philip Bender & they had no children. I can't remember how I got that information but perhaps it was from Edith's granddaughter. I do remember asking for photos but never received any. I do have one or two of Edith though.

Lillian's daughter, Minnie, married a Cummins person but divorced him not long afterwards. I couldn't find her after that but I didn't try very hard.

Hazel Jones married Harry E. Wing. They had no children of their own but adopted a girl they named Shirley. Shirley married a Stewart Hoadley and she communicated with my aunt at one time. She didn't have much information.

No sign of Cecil as an adult but I have her in a group photo with my grandmother & Lillian, too. When I searched for Cecil, I kept getting hits for men with that name.

One thing that shouldn't be overlooked, are the railroad records. I've never tried to get any, myself but think about it--the Jones men worked for the R.R.! Edith's relative said to check with the Illinois Central R.R. for employment records. Maybe Alfred Jones died in a train accident of some kind!

Hi Again:
Alfred Carter Jones death record gave cause of death as paresis.

Since it was a new word for me, I looked it up on "The Free Dictionary" by Farlex.

One of the shorter definitions follows: Neurology incomplete paralysis, weakness; partial paralysis of voluntary & involuntary muscles. The site also provided more definitive information.

Thank you for the information about Lillian & Alfred Carter's children.

I did try to get some RR information at one time, but it was such a long time ago that I don't remember the details. I know I didn't receive information, but maybe I didn't find the right place to look.

Just wondering: Do you think adding an "e" to Cecil would bring up anything. I'll try it. Betty

Hi, I did some checking on railroad records & it's not likely that either James or Alfred C. would be listed. The railroad pension/retirement records started around 1935. The site I went to said that a railroad historical museum would be the best bet.

I finally finished going through the email between me & Erik P. Conard & I was particularly looking for the source of the wife's name of Anthony Conard (Mary/Molly Kyst). Anthony was John A. Conard's father. Well, the paper was at the very back of the binder! I just want to make sure that Ed has the source for certain records. I seem to be missing some things--or I can't locate them. Years

ago I made copies of everything for at least 6 relatives & it was during a very crazy time. My father had just died & we were fixing up his house in order to get it ready to be sold. I was also working in his darkroom, printing up negatives for everyone, and to top it off, my oldest mentally ill brother & wife came after us with a lawyer, so yes, it was crazy. It wouldn't surprise me if I accidentally gave an original record away to someone, w/o keeping a copy for myself.

I found a news article on John W. Conard, son of Geo. & Lucinda, from the Chicago Tribune, dated 9-27-1929. No source listed. I have no idea how I got that! I used to subscribe to www.genealogybank.com but I checked their site & they don't have that newspaper. I would love to have access to that newspaper again. (sigh)

Tell Ed to check his email. I sent him a link to a photo of one of our ancestor's homes.

Hi Sandy:
I just finished talking at length to Jane Flint. She is very happy that we will be getting so much family information.

She said that she did not have many photos, and she didn't go beyond Lulu. She said that she recently saw a picture (a snapshot) of Lulu and 3 of her children taken in the backyard. She said she would send me a copy as soon as she finds it.

She also said that she would call one of her nieces and ask them to look for pictures, etc., relating to genealogy. She said that any records would be stored in Geoff's basement.

She, also, said that her mother, Dorothy, didn't give them (her & her brother) much information about the family.

I called the Courthouse in Clinton, and the only way I can get marriage or vital records is to apply for certified copies at $15 each. She did give me the name of a genealogist to contact if I wanted to do so. I'll give her a call tomorrow. Maybe she will give me some advice.

Thanks so much for the picture of Isaac Conard's house. It was an impressive home. Ed has an inexpensive wireless printer that did a great job printing the picture. Everything was so sharp and clear. (It does a better job than my printer.)

I will call Jane again in a week or so. It was good to touch base with her again.

How was Cecil Jones related to the Jones family? Betty

Yesterday 10:56 PM GMT

Cecil Jones was b. about 1904 & was the daughter of Lillian Conard & Alfred C. Jones.

Isaac's home reminded me of so many of the homes in the Mt. Vernon part of Linn County when I spent time there. That town is so quaint and I love those old houses! My secret, biological, paternal grandfather whom we didn't know about until the 1980s, married into a wealthy family in Rock Island. I called the current owners before I left CA & they were delighted to have me take a tour of the place. The 3rd & top floor had been a ballroom at the turn of the last century & was currently being renovated to repair & match it to the way it used to be. They had a family history book & she wanted me to be sure to put my father's name into it, and my grandmother's too! If my dad's 1/2 brother had know about that, he would've blown a fuse, ha ha. Oh, and I signed my name as being a guest.

I uncovered the sources for certain records today & one library is faxing the actual page from a book because my copy is gone, so I'm not freaking out anymore! I had to call the Denver Pub. Lib. to verify one other source as well because Erik P. Conard said one thing in an email but my notes said something different. I sure miss him! He lost a leg to diabetes & was about to lose the other foot the last year of his life. He so appreciated the distraction of helping me & others.

I'm just about done figuring out what needs to be copied on the Conard side. The Myers & Gregg sides are next.

It's just amazing what can be found on the internet! Speaking of that, years ago I did a search for the man my dad thought was his father, (the guy who raised him) and up came a hit for a news article about embezzlement with that name in ND! I called the university about it & they sent me 6 different articles. It really was my supposed grandfather but that was another family secret! He went to prison for about 6 yrs. & later the governor pardoned him. My dad was a bit upset when I showed it to him & asked about it. I tried to see if I could find the link again but the university removed it.

Good Morning, Sandy
You may have this info already, but here goes.

1910 census; Lillian G. Jones; Chicago, Ward 14, Cook Co., IL, age 47, b. Iowa, f. b. VA, m. b. OH; living with Lillian were Floyd A. Jones, son, age 19, b. Iowa, f.b. Missouri, m.b. Iowa, Accountant; Marie L. Jones, daughter, age 17, b. IL, Stenographer; Edith B. Jones, daughter, age 15, b. IL; Clarence C. Jones, son, age 13; Cecil A. Jones, daughter, age 6; Minnie Cummings, daughter, age 23, b. IL; Warren J. Cummings, grandson, age 4, b. IL, f&m b. IL; Lois (Louisa) Cummings; granddaughter, b. IL; f&m b. IL.

Enumerated 21 April 1910. Supplemental Census of same area done on 27th & 28th April 1910. (I don't know the reason for the supplemental, but it was there.) Granddaughter was Lois on the 1st one & Louisa on the 2nd one. Other discrepancies exist: Supplemental gave Lillian's age as 49 & birth states of f. & m. were reversed.

1920 Census enumerated 2nd of January 1920, Ward 23 Chicago, Cook County, IL; Lillian Jones, {name William Jones was mentioned below her name}, age 53, b. IA, f. b. OH, m. b. VA; renting on Cornel(?sp.) Ave., living with her were Marie R. Jones, daughter, age 27, b. IL, f. b. MO, m. b. IA; Cecil A. Jones, daughter, age 15, b. IL, f. b. MO, m. b. IA.

1930 census list contained some Lillian Joneses, but they didn't appear to be Lillian G. Jones, widow of Alfred Carter Jones; however, I will check more this afternoon.

Ed & Mike are out fishing. They had 4 trout awhile ago.

I'm on way to the Kroc for exercise now, but I'm going by the bookstore for a copy of the "Family Tree" magazine.

I bought a copy of the "Fat Belly Cure", Jorge Cruise, yesterday. It looked like he's for cutting carbs. I'm going to pass it on to daughter, Paula, if she's receptive to a weight loss plan. Nothing has worked for her so far.

One important development has been reconnecting with Jane yesterday. Cousins are very important in a family. I realized that especially when I lost a cousin last December. Thanks, Betty

You've some amazing experiences in your genealogy trek.bjl

We found the goodies on Ed's e-mail. Thank you again for your incredible efforts. I feel that I am getting a very necessary tutorial. Thank You!

I'm ready for the holiday to be over. I found that I'm out of color cartridges for my printer, so I can't copy your last messages until Monday.

I need to work harder in the areas where ancestors lived. I'm going to start with the local libraries. The Clinton Public Library is first. I have the obits for Roxanna Russell & her husband, William M. Chandler, who were the parents of William A. Chandler, Lulu's husband. We didn't luck out with Wm. M's obit. Too general. It may be too early (time wise) to get an obituary for Nehemiah H. Russell & his wife, Mary Lamson Russell. They were Roxanna's parents. But it's worth a try.

You have done a great job on the Myers genealogy!

When I get back to Colorado, I'm going to check for pictures of the Conard grave sites at the cemetery in Clinton. I know we have some that we took in 1988.

I hope your pet dog is feeling better. It is a real bummer to clean up a mess like that.

Have a Happy Fourth of July. Happy hunting, Betty

Hey, check Ed's email again. There's another goodie. In fact, just check it regularly because I may send other things that way.
I've been working so hard today on the research but it's my passion, so it's been fun. I LOVE finding new information and sharing it is what makes it worthwhile.

Happy 4th of July to the both of you! I'm going to buy some earplugs tomorrow for me & give the doggie a muscle relaxer so that she'll sleep once the fireworks, etc. go off. Unfortunately, our backyard faces a city park & the teenagers go nuts every year.

We are listening to fireworks going off in our neighborhood, but thank goodness it's not excessive so far.

Ed is conscientously checking his e-mails. Thanks for the ones you sent today.

I have photos of John's military grave stone in Oakland Cemetery in Iowa City. I went there in 2003 but couldn't make it to Clinton because my dad died during that trip & I had to fly back to CA. John's stone is among 3 other Civil War stones. The stone is not readable but by feeling with my fingers, I could make out his name & unit. The cemetery office has his burial card on file.

I also have a photo of the grave stone of John's father, Anthony Conard, that is located in Utica, OH.
I also have the obit for Geo. Nelson Conard, in case you've not seen it.
Plus, I have oodles of photographs! I inherited an antique tin-type of George Nelson Conard. I made a copy negative of it & then made prints in my darkroom.
After tracking down another cousin, I received photos of Lucinda. I have photos of the following children:
Sarah (my gr. gr. grandmother) Lots of them.
Ida (she & husband Frank Townsend are also buried in Springdale Cem. in Clinton.)
Minnie
Lillian
Maude

I have the bible record of the marriage of George & Lucinda.
I have the CW pension file for Jane, wife/widow of John Conard.
The marriage of John & Eleanor Gregg in Loudoun Co., VA.

I will put together a bundle for you but all I ask is that you reimburse for some paper copies I'll need to make & the postage. Money is so tight right now.

Hi again:
I am truly impressed with the material you have accumulated. We will happily reimburse you for any costs. Just let us know.

Ed's youngest son, Mike Leach, lives in Coeur d' Alene, ID; so we have spent the last 5 summers here. We moved to Colorado last August when daughter, Pam & her husband, moved their business to Castle Rock. We were living on San Juan Island, Washington, when you first found us. We moved back to California in 1997. We lived and worked in Hayward, California, for about 26 years.

Our address until late August is 1383 W. Bering Drive, Coeur d' Alene, ID 83815. We use our cell phones while we are here. Ed's cell phone # is 720-252-0244 and mine is 720-252-0443. Our address in Colorado is 3959 Shane Valley Trail, Castle Rock, CO 80109, phone 720-542-9768.

In December, we received a card from Geoff's daughter, and she wrote that her mother had died and that her father wasn't well. We lost track of Jane, but the last address we had was in the Washington, DC, area. I will try to find her through superpages.com.

We spent several days in Ohio doing research in 1989. We went to Licking Co. and Knox Co., but we didn't connect any dots. There were so many Conards in Ohio, and we didn't have enough information to get futher than George & Lucinda. Amanda died in Chicago, but she is buried with her family in Clinton. She died in 1890. Ed's mother, Vera Eleanor Chandler Leach, died young (in her 30's) with ovarian cancer. She was buried in Rockford, IL. She was buried alone in Rockford, so we had her remains moved to Havana, Sargent Co., North Dakota, where her deceased family members are buried.

The only genealogy records that I have are in Colorado, but I will see what I have on my computer here. We have pictures from the cemetery in Clinton, and we have a picture of Lulu Jones Chandler. She lived with her daughter, Dorothy and her family, in Michigan until her death.

We are thrilled that you found us. We have been stalled on the Conard line for so long.

I will see what I have here, and I will call you tomorrow, Saturday, when I can talk longer on my cell. I will also check for the Conard data in my computer.

Thanks again for finding us
.
Betty & Ed Leach

Congratulations on getting into the DAR.

Hi,

sandysorenson...
Jun 11 10:56 PM GMT

Hi,

Believe it or not, I was born in Castro Valley (1955) & grew up in Hayward! I moved away from home & met my husband in Montana but we settled in Wyoming for years. In 1989, we migrated back to my hometown of Hayward, which is where my parents still lived. The entire town was depressed & we were not impressed but were starting over & dealt with it. That Hayward connection is weird, eh? You were right there but we didn't know it!

Yes, this contact with you is exciting! My dining room table is filled with photographs & documents right now. Over the years I've compiled the records for other cousins but never organized a binder for myself. I never even put it into a genealogy database, as has been done for everyone else, including genie clients. It's been a passionate hobby of mine since I started digging into a family secret back in 1998. (My father was illegitimate)

Anyway, I wonder if anyone has a photo of Amanda Conard, yet seeing one of Lulu is just as fun. It's a kick to see the facial features passed down, if at all. Your husband & I have an elderly cousin in Oregon--Shirley Tracy. Her grandmother was Maude Conard--daughter of Geo. N. Conard & Lucinda Myers, as well as Amanda's younger sister. She, too, had hoped one day to find out about the Conard lineage but her daughter, who's a Mormon, tried & decided it was too difficult and stopped the research. When I hooked up with Erik P. Conard (now deceased), it was a wild ride because he'd lost track of George's father, John A. Conard. He'd spent over 45 yrs. compiling every bit of data on Conard/Connard/Cunard, Conrad, etc., in the U.S. He was extremely excited to hear from me & not only did he mentor me but together we filled in a missing piece of the puzzle! I could not have done it w/o him & to this day, I miss his brainy banter. I saved every email we exchanged & was looking through it today. It made me smile because it was truly a student/teacher relationship. I told him that I cut my teeth on genealogy through him.

I look forward to receiving a call tomorrow. I should be available after 10:00 a.m. Is Edward interested in the genealogy or are you the one bitten with the bug? Just curious. My husband loved the photos & any stories I uncovered on his own lineage. The rest of it--he couldn't care less.

Here I am again.

Ed & I are both excited about the Conard/Myers connection with you. We long ago decided that we would never be able to make the connection we needed.

I received a memo from a woman in Hayward who was researching in my one of my material lines. There must be something about the East Bay that likes us.

I really didn't remember what I had in the computer here in Idaho, but I had considerable data on George & Lucinda Conard. We spent time in the Clinton Co. court house looking for records (birth, death & marriage) and where we found a record we entered the # for the document. I found Sarah's marriage record mentioned in my data base. The document showed that they were married 3 Jan 1877, Bert Mc (illegible), m. cert. #7291, Clinton, Iowa.

We don't have a picture of Amanda, but we have a picture of Lulu Jones, Ed's mother, Vera Eleanor Chandler, and, of course, Ed.

I will talk to you tomorrow. Ed & Mike are going fishing, so he won't be here.

Hi Betty, I've found a cousin of Ed's from his Jones side of the family. The parents of James W. Jones were, Alfred Carter Jones b. 1816 TN & Martha Ann Cockerell b. abt. 1834 KY. They show up in the 1860 Fabius, Knox Co. MO census: A.C. Jones 45, Merchant; $1,500 real estate/$500 personal estate; b. TN
Martha A., 27, b. KY
Sarah, 16, b. MO
Belle, 24, b. MO (a sister of Alfred's ?)
James, 12, b. MO
Alfred, 1, b. MO

Also, they show up in 1870 Clark Co., MO, Washington Twp. Fairmont.

Go Here & check out the surname list for Jones & find Alfred.

Hi Sandy
This is, indeed, a small world. Yes, Colorado Springs is quite close. Hwy 25 is certainly not crowded. It's a treat after I-5.

We would very much like to meet & visit with you. Please, just don't come to Colorado in June, July or August.

There is only one glitch in the James W. Jones problem. All the data I found in Wayne Kuntz's notes seemed okay for Alfred C. Jones, b. 1816, & his first wife as James W's parents. When I looked at the 1880 census for James W. Jones, Amanda, & Lulu, it showed that his parents were born in Wales. I don't have the International Resources on Ancestry, but I'll get that next October when I renew.

Thank you for your help, and we anxiously await the package you are putting together. Betty

I didn't analyze that 1860 census enough, as I am juggling so much right now, so yes, James & Alfred Jr. are half brothers. That place of birth for the father of James W. Jones as Wales, has to be incorrect. Alfred Jones Sr was born in TN. I did an extensive search for him in 1850 MO and I think that I may have found him.
In Dist. 16, Clinton Co., MO; pg. 421B:
A.E.(C.?) Jones, 34, b. TN; farmer
Nancy, 28, b. MO (could her first or middle name be Elizabeth?
William, 3, b. MO (Is this the middle name of your James?)
The Clinton Co. MO Recorder of Deeds has marriage records from 1847 but Alfred C. Jones Sr. may not show in them due to the son James being born around that time. Anyway, you can either call the recorder or email her (Molly Livingston. Clinton Co. Courthouse, 207 Main St, Plattsburg, MO 64477;
molly.livingston@courts.gov
Clinton County MO is in NW MO. Alfred Sr. then lived in NE MO. The state of Iowa is above.
Also, there may be a probate record for Alfred C. Jones Sr. in Clark County, MO. Call the probate clerk in the county courthouse: (660)727-3628 (113 West Court, Kahoka, MO 63445
Also, do you have an obit for your James? What about Amanda?

Hi Sandy:
I don't have an obituary for James & Amanda. They both died in Chicago: Amanda in 1890 and James in 1905. I don't have any back-up records here in Idaho; but when I get back to Colorado, I will see what I have. It's been a long while since we worked with these records, but we are both feeling hopeful that we will find what we need to close the circle. I do have information that I printed from my data base notes sections. They are as follows:

Amanda J. Conard was born about 1852 in Ohio. She died 11 Feb 1890 in Chicago, Cook County, Illinois and was buried in Springdale Cemetery, Clinton, Clinton County, Iowa. Notes section: Death rec., Clinton Co., IA, #2645, bk. 1, p.223, Block 18, Springdale Cemetery, Clinton, Iowa.

Amanda married James W. Jones on 22 March 1871 in Clinton Iowa. James was born about 1847 in Missouri. He died 22 Nov 1905 in Chicago, Cook, Illinois. Notes section: Clinton County, Iowa, marriage rec. #4039; Cook Co., Illinois, death certificate #24472. James is buried in Ringwood Cemetery, Ringwood, Illinois, a small town just north of Chicago. He was a fireman, C&NW Railroad, 1870-71, Clinton, Iowa; city directory, p.85. gave occupation as Locomotive Engineer; lived on Park Ave., Chicago, at time of death. Death certificate #24472, Dept. of Health, City of Chicago. Ae. 58y 8m 14 dd at time of death. Cause of death, carcinoma of head. (1870 census) Clinton, Iowa, living with a number of single men (probably a boarding house), age, 22; occupation, fireman; (1880 census) living in Sac City, Jackson Township, Sac County, Iowa, James Jones, age 33, rr engineer, birth place--Missouri, parents--born in Wales (probably incorrect). Death certificate for Alfred Carter Jones gave birth place of parents as Virginia. "Carter" was born in MS (probably wrong). Source: Death certificate #8046, City of Chicago & census.

Geoff Howes, son of Dorothy Chandler Howes, granddaughter of Lulu (Lula) Jones Chandler (married William Abraham Chandler in Clinton, Iowa); greatson of Amanda Conard and James W. Jones; provided the names of Eva Jones, born 1871, Iowa, & Beatrice Jones, born 1872. These births are not based on any other information. Lulu was living with her daughter, Vera Chandler Leach and family until Vera's death 29 April 1932 from ovarian cancer. After Vera's death, she lived with her daughter, Dorothy and her family, until Lulu'a death on 10 October 1862 in Highland Park, Wayne County, Michigan. She was buried in Evergreen Cemetery, Detroit, Michigan. Her husband, William Abraham Chandler is buried in Lakewood Cemetery, Minneapolis, Henepin County, Minnesota.

James & Amanda's other children were Lulu A. Jones, born 21 Feb 1876; James Earl Jones, born 15 Jun 1881 in Sac City, Iowa. James died 29 Jul 1911, in Clinton, Iowa. He married 31 Oct 1908 Mabel S. Walker, in Clinton, Iowa, marriage certificate #19184; death certificate #sorry omitted, book 10, page 2, #11

Berniece Jones was born 17 Jun 1885. She died 2 Mar 1908 in Clinton, Iowa. She is buried in Springdale Cemetery, Clinton, Iowa. Name shown as Lillian B. on grave stone & marriage record; name shown as Bernice on 1900 Clinton, Iowa, census gave birth year as 1884. Marriage record was #16554, book 3, page 81.

Lillian G. Conard married Alfred Carter Jones, 9 May 1882, in Clinton, Iowa.

The 1900 census, Chicago Ward 13, Cook County, Illinois, for Alfred Carter Jones & family gave his birth month & year as May 1861; parents birth state given as Missouri (obviously incorrect.) They were living on North Hardin Avenue, (West Town) on the 1900 census.

Clark & Knox Counties, Missouri, are so close to Clinton, Iowa, that it would have been easy to move between states.

Hi, thanks for the information!

I've just put in a request for obits from Clinton newspapers on: Lillian Conard-Jones; James W. Jones; Amanda Jones; Lillian B. Easterly & Alfred Carter Jones.

Also, the Chicago Public Library has certain newspapers that can be seen through inter-library loan. I'm going to try to order reels for Lillian, who shows up in the IL state archives database, as Lillian Gay Jones, dying Dec. 8, 1949. This might be her but my aunt said her middle name was Gerusha, although it may have been shortened to Gay & she thought Lillian died in 1950/51. My aunt was incorrect on our Lucinda Myers, so she may have been wrong about Lillian. Also a reel for Lillian's husband Alfred C. Jones, as well as for your James. I have library books to return anyway, so this is no problem. Besides, it appears to be free!

The Chicago library won't loan out any newspaper dated prior to 1900. One might be found for Amanda but you'd have to pay the $5.25 photocopy fee plus $5.00 handling if found. They will search up to two newspapers for three days following the date of death.
http://www.chipublib.org/branch/details/library/harold-washington/p/Gisnewspapers/

As I go through the remnants of my documents, I realize that this is a huge undertaking, and I'm finding typing mistakes made, etc. I had entered everything into a familytree database in 2001 but lost it when I upgraded to a new computer that didn't have a floppy disk & also switched to rootsmagic for genealogy records. I never had the heart to re-type everything, so you'll be getting photocopies with some corrections & additions. Sorry about that!

I also have an extra copy of the Gregg genealogy book & it's doubtful that one of my daughters will ever be interested in it, so I'll send it to you. The author did not know about our Eleanor Gregg at the time of the writing but it gives Eleanor's lineage back to the 1600s Ireland. (Eleanor was the mother of George Nelson Conard)

I also hung on to all of my email exchanges with Erik P. Conard--one of the experts on our Conard lineage. Some I'll just photocopy because what he says is interesting & others I'll combine & re-type. Most of it dealt with me trying to prove the connection between Geo. Nelson Conard & John A. Conard, his father. Erik was a tremendous help in mentoring me. The amount of paperwork is a bit overwhelming right now but I'm plowing through it. In all honesty, my favorite part of genealogy is in the hunt; not in the organization of the findings--ha ha

Hi Sandy:
I need to learn your "order by mail skills". You are way better about that than I am.

We have to do some errands and go to the Kroc center for a workout. My workout takes from 30 to 40 minutes. When I get home, it's back to the computer for more searching.

I will try to reach Jane Flint, too. She may have some photos; or if she doesn't, she may know who might have some. I don't feel that Geoff can help us, but he did have 6 children. One might be interested in a breakthrough on their grandmother's genealogy. Betty

I recently lost a bunch of weight by cutting out sugar for the most part and eating whole grains, lots of vegs./fiber & drinking enough water. I now walk about 3 miles a day but need to do more of that & work with hand weights. I missed my early morning walk today because I was too hyped-up about the mess on my

dining table & as the day went on, it became too hot. I'm really working hard on your project.

I blew it with my request for Alfred C. Jones' obit because I thought he died in the early 1920s. I have no idea when he died, except that Lillian shows as widowed in 1910 Chicago. I finally started digging on her family! Help!!! I need to correct my request & ask again with the right date. Thanks.

Oh, and I am almost done examining everything from the bin where all of my records have been kept. I found photos of the property where Edward's Gregg ancestor lived, along with some old documents. I dropped the ball on that surname but a distant relative was generous years ago. I'll scan the photos, put them on a cd & have some prints made. I'm juggling like crazy here. :)

Congratulations on your exercise routine & the excellent additions to your to your food intake. Exercise always makes me feel better. I've slacked off at times, and it's a high price to pay.

Alfred Carter Jones died 21 Mar 1908, Chicago, IL. He was living at 809 Walnut Street, Chicago, at the time of his death. His occupation was locomotive engineer for the C&NW RR, 1893, City Directory, Clinton, IA. Death Certificate, #8046, Dept. of Health, City of Chicago, Ae. 49 at time of death, birth state given as Mississippi (incorrect), parent's birth place VA (probably incorrect), cause of death. paresis.

I honestly believe that some of the information on death certificate are given by relatives who really don't know the details of birth places, etc.

The 1900 census gave Alfred Carter & Lillian's children born in Illinois with the exception of Floyd who was born in Iowa.

Do you have basic information on George & Lucinda's other children beside your Sarah, Amanda, & Lillian?

Apparently only Amanda & Isaac were born in Ohio. I have the marriage certificate #8063 for Ida & Frank D. Townsend, m.14 May 1879; and #12086 for Minnie & George Belles, m. 16 Jan 1889; and #13430 for Maude Alice & Harry Ray, 16 May 1893. All were married in Clinton, Iowa.

I made a typo on Lulu Chandler's death year in Highland Park, Michigan. She died 10 Oct 1962 NOT 1862. Betty

Thanks for all your work on our behalf. This is really exciting.

Thanks.

I got up to 158 lbs but am now down to my body's normal weight of about 122 lbs. It's a burden carrying around the fat! Jorge Cruise wrote a book, "The Belly Fat Cure", which helped, & so did one by Tosca Reno. My daughter in CO started the process on my last visit to see her. She had a cancer scare & introduced me to juicing kale, carrots, etc., & I do that now. She kept bugging me about my laziness & after she took me on a depressing shopping spree, where I had to look at my fat ass in the dressing room mirror, I finally I got motivated & went gung-ho. What's really funny is how checkers at the grocery store, or my hair cutter, are all commenting on the difference in how I look, and everyone wants to know how I did it. I always tell everyone to lay off the sugar.

I did find Alfred's death in the IL state archives database after all. I'm just juggling too much right now but the adrenaline is pumping! (Conard/Myers/Gregg lineages)

Yes, I have info. on the others & you'll get all of it. I never ordered marriage certs. on anyone except Lucinda & George because I have an actual bible record on all of them, although the entries for James & Alfred & their wives, were too faint to show up. I have death certs. on some of them & obits, too. Thankfully, I did type up notes on each family years ago & included them in family groups.

I've never organized the Myers or Gregg lineages but did meet a cousin who stems from Lucinda's brother, George, and another cousin from her brother Frederick/Fred Myers. Fred's obit called Lucinda, "Sidney Conrad", so that descendant had a terrible time finding Lucinda, until she came across a posting I'd made.

Well, I'm going to go lie down now. Tomorrow I have to go to the LDS center & look at an Italian microfilm for someone else and I don't know that language. Should be a blast, ha ha.

You have done a fantastic job getting your weight under control. I'm really impressed. It's not easy. I have controlled diabetes, so I've had to lay off sugar and other carbs. We have the Kaiser Permanente health plan, and they

recommended that we go to at least 2 seminars. One of their main messages was to watch the carbs. A half cup of cooked spagetti isn't much, but I've learned to accept and enjoy what I can have. I now fluctuate between 129 & 130. My problem is diet controlled, so I don't have to take medication for it.

My older daughter never lost the weight she acquired after her pregnancy 18 years ago. I'm going to share your method and your book suggestions with her. I have to go downtown today, so I'll see if I can buy the one on the "Belly Fat Cure" from Borders for her. In her case, the fat is really hurting her health.

I need to learn your method of finding other descendants of the ancestors I'm researching. I've not been able to get beyond 1840 for Ed's Leach line. I have my Salisbury line stuck at 1785. It is very frustating. I have a lot of clues, but connecting the dots is another thing. In both of these lines, I know there was a family bible, but they are missing and probably lost.

This PM I'm going to look for the children of Lillian & Alfred Carter Jones. This genealogy search is so addicting. I'll see about ordering the marriage record for Amanda & Lillian.

Thanks for all your help. Betty

Lillian's kids, Floyd & Clarence, are in the 1920 census for Chicago. With them, is the son of John W. (Willis) Conard, Elmer Clyde Conard. I have a couple of pics of Clarence & he was really handsome. His full name was, Clarence Conard Jones & he died in Los Angeles. He named his son the same. Floyd died Oct. 1963 in IL.

I found a descendant of Lillian's dau. Edith. Edith married Conrad Bentley. They were married in IL according to the 1920 census for Chicago. Edith died May 19, 1982 in Helena, Lewis & Clark Co., MT. Conrad died same place in Aug. 1976. They had six kids. Their daughter Patricia married William Racicot. Their oldest child, Marc Racicot, was governor of Montana for two terms & was even offered the U.S. Attorney General position at one time.

Lillian's daughter Marie, married a Philip Bender & they had no children. I can't remember how I got that information but perhaps it was from Edith's granddaughter. I do remember asking for photos but never received any. I do have one or two of Edith though.

Lillian's daughter, Minnie, married a Cummins person but divorced him not long afterwards. I couldn't find her after that but I didn't try very hard.

Hazel Jones married Harry E. Wing. They had no children of their own but adopted a girl they named Shirley. Shirley married a Stewart Hoadley and she communicated with my aunt at one time. She didn't have much information.

No sign of Cecil as an adult but I have her in a group photo with my grandmother & Lillian, too. When I searched for Cecil, I kept getting hits for men with that name.

One thing that shouldn't be overlooked, are the railroad records. I've never tried to get any, myself but think about it--the Jones men worked for the R.R.! Edith's relative said to check with the Illinois Central R.R. for employment records. Maybe Alfred Jones died in a train accident of some kind!

Hi Again:
Alfred Carter Jones death record gave cause of death as paresis.

Since it was a new word for me, I looked it up on "The Free Dictionary" by Farlex.

One of the shorter definitions follows: Neurology incomplete paralysis, weakness; partial paralysis of voluntary & involuntary muscles. The site also provided more definitive information.

Thank you for the information about Lillian & Alfred Carter's children.

I did try to get some RR information at one time, but it was such a long time ago that I don't remember the details. I know I didn't receive information, but maybe I didn't find the right place to look.

Just wondering: Do you think adding an "e" to Cecil would bring up anything. I'll try it. Betty

Hi, I did some checking on railroad records & it's not likely that either James or Alfred C. would be listed. The railroad pension/retirement records started around 1935. The site I went to said that a railroad historical museum would be the best bet.

I finally finished going through the email between me & Erik P. Conard & I was particularly looking for the source of the wife's name of Anthony Conard

(Mary/Molly Kyst). Anthony was John A. Conard's father. Well, the paper was at the very back of the binder! I just want to make sure that Ed has the source for certain records. I seem to be missing some things--or I can't locate them. Years ago I made copies of everything for at least 6 relatives & it was during a very crazy time. My father had just died & we were fixing up his house in order to get it ready to be sold. I was also working in his darkroom, printing up negatives for everyone, and to top it off, my oldest mentally ill brother & wife came after us with a lawyer, so yes, it was crazy. It wouldn't surprise me if I accidentally gave an original record away to someone, w/o keeping a copy for myself.

I found a news article on John W. Conard, son of Geo. & Lucinda, from the Chicago Tribune, dated 9-27-1929. No source listed. I have no idea how I got that! I used to subscribe to www.genealogybank.com but I checked their site & they don't have that newspaper. I would love to have access to that newspaper again. (sigh)

Tell Ed to check his email. I sent him a link to a photo of one of our ancestor's homes.

Hi Sandy:
I just finished talking at length to Jane Flint. She is very happy that we will be getting so much family information.

She said that she did not have many photos, and she didn't go beyond Lulu. She said that she recently saw a picture (a snapshot) of Lulu and 3 of her children taken in the backyard. She said she would send me a copy as soon as she finds it.

She also said that she would call one of her nieces and ask them to look for pictures, etc., relating to genealogy. She said that any records would be stored in Geoff's basement.

She, also, said that her mother, Dorothy, didn't give them (her & her brother) much information about the family.

I called the Courthouse in Clinton, and the only way I can get marriage or vital records is to apply for certified copies at $15 each. She did give me the name of a genealogist to contact if I wanted to do so. I'll give her a call tomorrow. Maybe she will give me some advice.

Thanks so much for the picture of Isaac Conard's house. It was an impressive home. Ed has an inexpensive wireless printer that did a great job printing the picture. Everything was so sharp and clear. (It does a better job than my printer.)

I will call Jane again in a week or so. It was good to touch base with her again.

How was Cecil Jones related to the Jones family? Betty

Cecil Jones was b. about 1904 & was the daughter of Lillian Conard & Alfred C. Jones.

Isaac's home reminded me of so many of the homes in the Mt. Vernon part of Linn County when I spent time there. That town is so quaint and I love those old houses! My secret, biological, paternal grandfather whom we didn't know about until the 1980s, married into a wealthy family in Rock Island. I called the current owners before I left CA & they were delighted to have me take a tour of the place. The 3rd & top floor had been a ballroom at the turn of the last century & was currently being renovated to repair & match it to the way it used to be. They had a family history book & she wanted me to be sure to put my father's name into it, and my grandmother's too! If my dad's 1/2 brother had know about that, he would've blown a fuse, ha ha. Oh, and I signed my name as being a guest.

I uncovered the sources for certain records today & one library is faxing the actual page from a book because my copy is gone, so I'm not freaking out anymore! I had to call the Denver Pub. Lib. to verify one other source as well because Erik P. Conard said one thing in an email but my notes said something different. I sure miss him! He lost a leg to diabetes & was about to lose the other foot the last year of his life. He so appreciated the distraction of helping me & others.

I'm just about done figuring out what needs to be copied on the Conard side. The Myers & Gregg sides are next.

It's just amazing what can be found on the internet! Speaking of that, years ago I did a search for the man my dad thought was his father, (the guy who raised him) and up came a hit for a news article about embezzlement with that name in ND! I called the university about it & they sent me 6 different articles. It really was my supposed grandfather but that was another family secret! He went to prison for about 6 yrs. & later the governor pardoned him. My dad was a bit upset when I showed it to him & asked about it. I tried to see if I could find the link again but the university removed it.

Good Morning, Sandy
You may have this info already, but here goes.
1910 census; Lillian G. Jones; Chicago, Ward 14, Cook Co., IL, age 47, b. Iowa, f. b. VA, m. b. OH; living with Lillian were Floyd A. Jones, son, age 19, b. Iowa, f.b. Missouri, m.b. Iowa, Accountant; Marie L. Jones, daughter, age 17, b. IL, Stenographer; Edith B. Jones, daughter, age 15, b. IL; Clarence C. Jones, son, age 13; Cecil A. Jones, daughter, age 6; Minnie Cummings, daughter, age 23, b. IL; Warren J. Cummings, grandson, age 4, b. IL, f&m b. IL; Lois (Louisa) Cummings; granddaughter, b. IL; f&m b. IL.

Enumerated 21 April 1910. Supplemental Census of same area done on 27th & 28th April 1910. (I don't know the reason for the supplemental, but it was there.) Granddaughter was Lois on the 1st one & Louisa on the 2nd one. Other discrepancies exist: Supplemental gave Lillian's age as 49 & birth states of f. & m. were reversed.

1920 Census enumerated 2nd of January 1920, Ward 23 Chicago, Cook County, IL; Lillian Jones, {name William Jones was mentioned below her name}, age 53, b. IA, f. b. OH, m. b. VA; renting on Cornel(?sp.) Ave., living with her were Marie R. Jones, daughter, age 27, b. IL, f. b. MO, m. b. IA; Cecil A. Jones, daughter, age 15, b. IL, f. b. MO, m. b. IA.

1930 census list contained some Lillian Joneses, but they didn't appear to be Lillian G. Jones, widow of Alfred Carter Jones; however, I will check more this afternoon.

Ed & Mike are out fishing. They had 4 trout awhile ago.

I'm on way to the Kroc for exercise now, but I'm going by the bookstore for a copy of the "Family Tree" magazine.

I bought a copy of the "Fat Belly Cure", Jorge Cruise, yesterday. It looked like he's for cutting carbs. I'm going to pass it on to daughter, Paula, if she's receptive to a weight loss plan. Nothing has worked for her so far.

One important development has been reconnecting with Jane yesterday. Cousins are very important in a family. I realized that especially when I lost a cousin last December. Thanks, Betty

You've some amazing experiences in your genealogy trek.bjl

Yes, I have those census records but thanks anyway. I sent Ed another email with lots of stuff; some are news articles, so check it.

I sure hope that your daughter is receptive to the belly fat cure. It certainly opened my eyes to the dangers of sugar, etc.

My husband left this morning around 4:30 to go fishing out on the Delta. He goes fishing regularly--every weekend it seems. We have a stocked lake which is only two blocks from our home, so he's taken advantage of that by using his bass boat & has blessed many men with fun on that lake.

What's your maiden name? I'm assuming that your first name is actually Elizabeth. I typed up a sheet for Ed showing his kinship to the Conard immigrant but I need to put your full name with his.

Hi again:
My maiden name was Betty Jean Zoodsma. Unfortunately, my given name was not Elizabeth. My paternal grandparents immigrated from Friesland (northern part of the Netherlands). May maternal grandfather immigrated from Denmark. So my heritage is mostly north European.
My 1st day on Ancestry a message came from Klaas 1, he had been researching in Friesland for 42 years. He wanted information on my grandfather and my father. He had the whole ancestry laid out. We were related but not close.

Ed & I were married on Thanksgiving day, 1973. It was the 2nd marriage for both of us.

Edward James Leach, Jr., was b. 24 Aug 1925, Rockford, IL.
Ed married Helen Eilene Brandsted, daughter of Charles Glen Brandsted and Mary Lucretia Monroe 20 Aug 1947, Fargo, Cass County, North Dakota. Helen was born 3 May 1924, Miller, Hand Co., South Dakota. The marriage ended in divorce.

They had the following 4 children:
Barbara Ann Leach, b. 14 Oct. 1948; married Bruce Alan Mattoch, son of Charles Albert Mattoch & Phyllis Sylvia Becker on 2 Sep 1967, Hayward, CA. They had 2 children, Charles Bruce Mattoch, b. 21 Jan 1968, Hayward, CA; Virginia Haley Mattoch, b. 4 Jun 1972. The marriage ended in divorce.

Barbara didn't remarry. She chose to shorten her original surname to Lea. So she is legally Barbara Ann Lea.

James Charles Leach b.30 Dec 1950, Fargo, ND. James m. Deborah Lee-Ann

Elstrom on 18 Jun 1983 in Fremont, Alameda Co., CA Deborah was b. 13 Aug 1957, Oakland, Alameda Co., CA. They had no children. (Debbie had 2 children by a previous marriage.)

Douglas John Leach was b. 26 Oct 1952, Fargo, ND, M. Sharon Gloria Botelho, 25 Mar 1972, Hayward, Alameda Co., CA. Sharon was b. 20 Feb 1952, Oakland, CA. They had 2 sons Marc Douglas Leach b. 1 Aug 1979, Hayward, CA; Andrew John Leach b. 15 Apr 1983, Hayward, CA. (Neither Marc nor Andrew are married.)

Michael Cecil Leach b. 26 Jul 1956. m Renee Elaine Pletka, daughter of Raymond Richard Pletka & Janith Elaine Borch, 4 Jul 1991, Fremont, CA. Renee was b. 24 Sep 1962, Gary, Lake Co., IN. They had one child: Victoria Lynn Leach, b. 17 Dec 1992 in Hayward, Alameda Co., CA.

Edward also married Betty Jean Zoodsma, daughter of Claus Seetze Zoodsma & Dorothy Ruth Christenson, 22 Nov 1973, Zephyr Cove, Douglas Co., Nevada. Betty was b. 1 Apr 1925, Redfield, Spink Co., SD.

Mike lived in Coeur d' Alene, so we decided 6 years to spend our summers here. Mike is Ed's fishing buddy. It sounds as though your husband is an avid fisherman.

I still have to call Ed's two living sisters and tell them about what is going on. If you want, I'll give you their information in the next response.

I had two children by a previous marriage. Of course, they not are not related to Ed's line. Just to acquait yourself with me, their maiden names were Paula & Pamela Downer.

2 hours later
I talked to Sally Leach Latimer this evening. She had talked to Jane who did find the snapshot of Lulu.
Jane will be sending us a copy. Sally will send me a picture of Vera Eleanor Chandler Leach who was Amanda's granddaughter. Ed's mother was really a very attractive person. I will send copies of the pictures on to you when I receive them.

I talked to my son-in-law who worked with computer manufacturers for many years before they went into their own business. I asked him if I bought a new genealogy program if there a way to transfer the data to a new program. He said that if your program export capability works with the import capability of the new program they could be transferred. My program is okay, but it is old an I would like to get a new one. I just couldn't face the thousands of hours it would take to reenter all that data. Now I have another problem to solve. Betty

Douglas John Leach was b. 26 Oct 1952, Fargo, ND, M. Sharon Gloria Botelho, 25 Mar 1972, Hayward, Alameda Co., CA. Sharon was b. 20 Feb 1952, Oakland, CA. They had 2 sons Marc Douglas Leach b. 1 Aug 1979, Hayward, CA; Andrew John Leach b. 15 Apr 1983, Hayward, CA. (Neither Marc nor Andrew are married.)

Michael Cecil Leach b. 26 Jul 1956. m Renee Elaine Pletka, daughter of Raymond Richard Pletka & Janith Elaine Borch, 4 Jul 1991, Fremont, CA. Renee was b. 24 Sep 1962, Gary, Lake Co., IN. They had one child: Victoria Lynn Leach, b. 17 Dec 1992 in Hayward, Alameda Co., CA.

Edward also married Betty Jean Zoodsma, daughter of Claus Seetze Zoodsma & Dorothy Ruth Christenson, 22 Nov 1973, Zephyr Cove, Douglas Co., Nevada. Betty

was b. 1 Apr 1925, Redfield, Spink Co., SD.

Mike lived in Coeur d' Alene, so we decided 6 years to spend our summers here. Mike is Ed's fishing buddy. It sounds as though your husband is an avid fisherman.

I still have to call Ed's two living sisters and tell them about what is going on. If you want, I'll give you their information in the next response.

I had two children by a previous marriage. Of course, they not are not related to Ed's line. Just to acquait yourself with me, their maiden names were Paula & Pamela Downer.

2 hours later
I talked to Sally Leach Latimer this evening. She had talked to Jane who did find the snapshot of Lulu.
Jane will be sending us a copy. Sally will send me a picture of Vera Eleanor Chandler Leach who was Amanda's granddaughter. Ed's mother was really a very attractive person. I will send copies of the pictures on to you when I receive them.

I talked to my son-in-law who worked with computer manufacturers for many years before they went into their own business. I asked him if I bought a new genealogy program if there a way to transfer the data to a new program. He said that if your program export capability works with the import capability of the new program they could be transferred. My program is okay, but it is old an I would like to get a new one. I just couldn't face the thousands of hours it would take to reenter all that data. Now I have another problem to solve. Betty

Thank!
I can't remember exactly why I didn't stay with the familytree software but it may have been due to the fact that my version was so old & they were offering only an upgrade for a later-released-version. You just might run into the same problem.

I found Alfred C. Jones & Lillian Conard's daughter, Hazel Jones, b. June 30, 1885. She married Harry Edward Wing in abt. 1909. They are in the 1910 Chicago Census. My gr. gr. uncle, Van Leber is living with them! He married Sadie Conard's granddaughter, Olive Lucinda McMahon. I loved Olive & Van when I was a child. They lived in Beverly Hills, Berkeley & S.F.

Anyway, Harry Wing did quite well for himself. In 1930 Deerfield, Lake Co., IL, he owned a $25,000 home & was an executive for an electric power & light company. Their adopted daughter Shirley is five yrs. old.

Hazel (Jones) Wing, d. July 26, 1973 in Rancho Santa Fe, San Diego, CA.
Harry Wing b. Aug. 22, 1882 IL; d. June 24, 1964 in San Diego.

Harry's WWII draft card shows that they were living in Deerfield, IL, in 1942. He was an employer with the Commonwealth Edison Co. in Chicago. His nearest relative was his wife, Hazel J. Wing of Deerfield.

Wow! Harry & Hazel really did well. When we were in Southern California Rancho was regarded as quite expensive & exclusive. We did trade shows in San Diego & Del Mar for at least 5 years from 2001 to 2006.

But now I'm back to genealogy. I can spend 3 hours roaming around Ancestry, and it seems like only an hour. I'm readdicted. It helps to get frequent rewards with new information.

Was T.K. Myers & family who were listed below George Nelson & Lucinda on the 1860 census relatives of Lucinda? The Amanda E. listed with them made me wonder. The names "Lucinda & Amanda" seem to run all through the Conard family.

I really felt that I gave you way more information than you really wanted yesterday. Also, I never tell people how old I am since I feel that some regard our ages as being really really "over the hill" & that we should be on a shelf somewhere. (When I used white pages.com to find Jane Flint's #, I was amazed at the information available for free. It evern went so far as to show a picture of her street in DC.)

About 4 summers, Ed & I did 16 month calenders. We did 2 of them, one each for Leach & Zoodsma et al. Each month had family pictures. We'll check with Mike to see if his copy is handy. If it is, I will borrow it and make copies of relevant ancestors at Office Max tomorrow.

Do you have information about William A. Chandler, Lulu's husband? If you don't, I have data available.

I don't know where to start looking for a new program, but I better find out. Finding one probably won't be easy. Betty

I'm addicted to the hunt ALWAYS! Those calendars sound cool. Also, I figured you & Ed were up there in age & I'm impressed with how well you're doing, so bravo!!!

Google earth is a kick because you can see the actual homes.

That T.K. Myers is actually Lucinda's brother, Frederick (Fred). I haven't dug through the Myers stuff yet but I don't have much. There's a family tree on rootsweb & the woman who posted it, is a direct descendant of Fred. She was looking for Lucinda, who was called "Sidney Conrad" in Fred's obit. I don't know how she got back centuries with the Myers lineage. I should re-contact her. I think that her name is Mickey Downey. Unfortunately, she didn't list any of the sources for her information. We simply exchanged info. on Lucinda & Fred. That was probably around the time when things with us were crazy; too many irons in the fire.

I have no info. on Wm. Chandler at this time.

Before you change genealogy programs, make sure that you have a hard copy of everything. That sure saved me!

Hey, check Ed's email. I sent him a scanned treat!

Sandy:
What a stressful weekend! It's not fair. You're not feeling well, and your daughter is so sick. We both hope for a speedy recovery for you both. We have been to that very same Kaiser emergency room Just having to go to emergency is unnerving.

I hadn't heard about the broccoli cure for allergies, but I do know broccoli a powerhouse. It's so easy to get a little lax, but all of us have done it.

We hope for the very best for your daughter and for you, too.

I did read in a Clean Eating magazine back in April, I think it was, that eating regularly from the broccai (sp?) family of foods will charge up the sinuses like a little army to ward off allergens & it did work magic on me since then but I let go of it for at least a week & I KNOW that's why I got attacked again & was miserable.

Our youngest daughter just called & she's in Kaiser's emergency room in Hayward on morphine & oxygen after having gruesome headaches & I don't know what else as far as symptoms. They think she might have a brain aneurysam & they just did a ct scan & are being aggressive about performing a lumbar puncture to detect blood in the cerebrospinal fluid but she's freaking out because of the danger of such a test & hasn't consented just yet.
We may have to drive to Hayward.

Hi Sandy:
I'm sorry you have been so sick. Allergies can be miserable. What is the trigger for yours?

I just talked to Vera, Ed's oldest sister; and she is going to send me the pictures she has. She said that she didn't have a picture of Amanda or Lulu. I'm going to call Jane Flint in a few minutes to see if she has found any pictures yet. Jane has some serious eye problems that make it hard for her. I believe it's macular degeneration.

I hope you feel better soon.

9/10: Homeowners Fail To Take Advantage of Government Refinance Plan

Last spring, the US government launched a housing relief program, designed to help 7-9 million homeowners, but so far only 85,000 homeowners have used the program to refinance.

Many homeowners mistakenly think they are not eligible. If you are a homeowner and you haven't looked into refinancing recently, you may be surprised at how much you can save.

Hi Betty,

Been so sick with allergies for two days--ugh

I found that Crooks/Conrad family tree & in answer to your question, I am not an expert on the spelling of the Conard name but Erik P. Conard was, for sure. I'll be including some of his emails that will show how other descendants of Thones Kunders did change the spelling. I remember looking up every Conard/Cunard in eastern Iowa & called one of them who went by "Cunard" & he wanted to know if he was related to the shipping line magnant. I asked Erik about it & he said, yes. That part of the family fled the American Rev. & went to Nova Scotia. Some of the descendants in the midwest using the spelling of Conrad refused to believe Erik when he informed them of the correct spelling. Others believed him. Erik tracked down just about every descendant over a period of 40 years. I was a new connection for him that thrilled him because he didn't know what happened to Geo. N. Conard's father, John.

One thing in that tree which I noticed, is that there is a death year for Anthony Conard's wife, Molly/Mary Kyst in 1827. Erik didn't have that information. "Loudoun Co. VA Records of Debt": Sept. 20, 1827 & Nov. 2, $10 debt for Mary Conard's coffin billed to her husband, Anthony Conard & son, David Conard. The atual source isn't named, however.

I'm not sure if you told me about Vera dying of ovarian cancer. Sarah/Sadie (Conard) McMahon's daughter Pearl died from the same thing I believe! Pearl was my gr. grandmother & she was in agony before she died.

I've never charged any relative for my copies or photos either but today's income is hurting. The photos I'm giving you are extras printed years ago and are a gift, as is the Gregg book. We're down to less than $150 until June 1st & yesterday our old, re-conditioned Kirby vacuum just blew up--the motor I guess. I couldn't tell if it was electrical or what, but it smoked. It's always something. I do have a funky, upright Dirt Devil with a short hose attachment but it can't do what the Kirby could do. My house is going to be in awful shape until we can either get the Kirby fixed or buy something decent but oh well, that's life.

I'm back to normal, health-wise & it's so fun to actually see my waist line once again. Yesterday I made a delicious Kale-Bean Soup that included: home-made chicken broth, white beans, kale, onion, parsley, Italian seasoning, stewed tomatoes, garlic, fresh spinach, asian cabbage, leftover mixed white/brown rice, & chunks of leftover chicken. To me, that's comfort food! It's amazing how many meals can come from a roasted chicken.

I just had a mile walk with the dog & next I'm going to do an online walking workout that really gets the heart rate up there & works the thighs, rotator cuffs, waist, back & arms. It comes in two parts with an ending cool-down period & I just love it because it's easy to follow & even a beginner can do it! http://www.realage.com/videos/?click=p5link3&bcpid=30402252001&bclid=5030523001&bctid=16661825001

Our daughter Britt's ct scan showed no blood leakage in the brain & she refused the spinal tap, especially after talking with another doctor who is a customer at the bank where she works. He asked her about sinus problems & she revealed that in the past year she's had a recurring sinus infection & has been on & off of antibiotics & was even on a steroid. He suggested that she call her ER doctor & have the radiologist check the sinus regions above the eyes from the ct scan. Chances are, there's still a deep infection that might need surgery. I think that is a brilliant suggestion.

Kaiser almost killed my husband in 2005 by mis-diagnosing him & ever since then, I've been very aggressive with whomever I deal with when I go in for an appt. because I want to make sure I'm being

treated completely & correctly. I always go in with my questions written down & then write down what they say. We had to learn the hard way & that's what I'm teaching Brittany. Also, for her to write down any & all symptoms daily so that the doctors have better knowledge of what their dealing with and she said she did forget to tell them something.

back to exercise...

Hi Sandy:

The check is in the mail. We missed the mailperson today, so it will go out tomorrow. You should receive it by Friday.

Thank you for the storage hints. Your binders make more sense than putting files in a file cabinet.

I have really enjoyed corresponding with you, and I feel that I've learned some important research techniques. We're both very glad that Vera Chandler Leach's genealogy will be in such good condition. Did I mention that the cause of her death was ovarian cancer?

We hope your allergies are better and that your daughter is on the mend.

Be sure to get in touch with us when you get to Colorado Springs. We will be back in Colorado by the 1st of September. We'll buy lunch.

Betty

Amanda Conard Jones, Vera's grandmother died so young, too. I believe she was 38 years old when she died, and I have often wondered if the cause of her death was ovarian cancer. Vera, Ed's sister, told me last weekend that their sister, Jane, died from cancer. She thought it was ovarian. I will ask her again.

Even today, early diagnosis is difficult. We had a long-time friend die with it about 2 1/2 years ago. It was tragic.

These times so difficult. I really never thought we would see so much pain from economic problems (a depression) again. It's too bad decision makers don't remember the lessons of history.

Please don't give the charge a second thought. We both feel that we got a great bargain! It is a very very meaningful gift. We have a new cousin (you), too; and we reconnected with Jane Flint.

I'm going to call Ed's sister, Vera, this weekend. She is the only one left who really remembers her grandmother, Lulu. She told me last weekend that her grandmother took her to her first movie. She said it was a silent comedy, probably Charlie Chaplin. They were living in Rockford, Illinois, at the time. Ed was only 6 1/2 when his mother died, so he has no strong memories of his grandmother.

Your absolutely right about the medical thing. We must be out own advocate. We both try to go to each others appointments to be sure that we understand everything that is being said. In 1889,I went to ER with pain from a gall bladder attack. I made a bad mistake. I told the doctor that my

I want to know who Etta, Lottie, Norman & William were because all were in the Bay Area.

I put out a query for help with death records in Clinton Iowa regarding Emelio & Carl Conard and got a hit on it when I got home. A volunteer there says their LDS center has all of the Clinton microfilms bur he's a bit swamped and will get to it when he can. I will go back to Oakland Temple to see what they have for Clinton.

I know she was a sister of Nancy Gregg who married Anthony Conard, Jr. and was a daughter, therefore, of George Gregg and Elizabeth Wilson. I know there is a copy of the genealogy in the Denver Public LIbrary. The Greggs were Scottish and Quaker, I believe. The genealogy is not a terrific one, but I knew Amy Metcalf Bowen, one of the contributors to it. She did not know of anything of John either as I asked her in 1958. In fact, it was me who found the bible record and the maiden name of Mrs Anthony Conard, Sr., and Amy had looked for many years. She was an amazing woman, spoke & read Chinese, was a WWI nurse, died in Boulder, Co in the 1960s. I say this as this was an avenue I long since have explored and I do not wish to have you re-trace an already-established dead end.

The marrige record was in Loudoun Co, Va, I got it from the printed bonds, Loudoun Co. VA 1762-1850 and it occurred (John + Eleanor) 2 May 1829. The compiler was Aurelia M. Jewell (Mrs. Walter Towner Jewell--also a correspondent of mine, years ago), page 20. The security for the bond was A. L. Anderson. Witness: Matilda Jacobs. The Chesapeake Book Co. of Berrville, VA. published it in 1962. How's that for documentation?

The 1830 census of Licking Co, Ohio:

The remaining Conard brothers, David, Samuel, and John, Jr (mine) died in Loudoun Co, Va. David & Samuel died unmarried, and John, Jr., 1770-1841, had a son John III, 1797-1854, and he is my great great great grandfather--I have a photo of him. He died in Jackson Co, MO of cholera

I am of the impression that John left VA shortly after marriage, but 1830 or later, but was in Licking County when Eleanor died in 1833. The presumed father of your John, Anthony, died 7 Jul 1840 in Utica, Licking, OH. He was a stonecutter and has a marker. His wife, Mary "Mollie" Kyst (Kist, Geist) died in VA in the 1820s but we do not know where any of that family's graves are, no markers found.

The court house burned in Licking County with all the records in the 1870s. I doubt that there was anything in there anyhow, unless John owned land briefly in Licking

County.
The Knox county courthouse, Mt. Vernon, may have something, but we have looked
for CONARDs in it for wills, deeds, etc, but no such John found. I mention
this in
that there is a hamlet called "Myers Crossing" near where they lived and it
MIGHT
just be Lucinda's ancestral home....a guess.
The only record I have found of Eleanor and her death is this
OLD NORTHWEST GENEALOGICAL QUARTERLY, Vol. XI[illegible], ~~Jan 1910~~, page~~ 48~~ Oct. 1908 p 302
  An old abandoned and destroyed cemetery in Licking Co, Ohio had been copied
prior to destruction and "Eleanor Connard" listed dying in 1833, age 21. No
exact
dates or further elaboration. I re-checked it many years later in hopes
there might be
a clue to somehow identify....I have gone on hunches ever since--until you.
We continue our trek.....
Oh, yes, it might be interesting to see if there were any other survivors of
this Willis
D Conard and wife, thru their obituaries. Were there any daughters? I did
not find
any females born in CA birth records with mother's whose maiden name was
O'Neil
or O'Neill with a CONARD father...so have already checked that. It is
unlikely, but
a first child, might have been a girl and born before they came to CA and
married
or away by the 1900 census. I say this as if there are any descendants of
this family
who knows what they might have? We have followed every lead to the end, so
why
quit now? Erik
One last thing...as you are looking into SF area cems., would you take a
second and see if any have a Salathiel "Late" ROSEBROUGH who lived in San
Francisco
and died in March 1904. Too early for death records and I am told they did
not
bury in the city then, but in outlying areas. I have looked for him for over
40 years.
He was 63 years old and a divorced g-g-g uncle.

Well, we still have a lot to do. Let us compile each item beside each person so that
we will begin to form a picture, and in view of the missing vital statistics, we will have
shown due diligence and formations of evidentiary preponderance. Like those words?
Also, bear in mind it is virtually IMPOSSIBLE to get a birth certificate for
anyone before 1900 except in the New England states, and it is very difficult to get official
death records before 1880...marriages, yes, PROVIDED no court house fires...and
PROVIDED they can be located But DAR likes to make you feel they are very much
demanding on proof as in early years they were not and they have tried to make up
for it ever since. I know this, you know this, but let us "dummy up," and
see what they will take, go on from there
SO, I can without much trouble, suggest these

JOHN CONARD, proven RW vet.
  Birth--proven and accepted by DAR
  Marriage--proven and accepted by DAR
  Death--proven and accepted by DAR
  Burial--long in print and accepted
ANTHONY CONARD, birth
    A--John Conard Bible record, long accepted by DAR
    B--carved on tombstone in Ohio, we have photo
  Marriage--to Mary "Molly" Kyst--not found, perhaps Judi Hines has some info.,
    but her relationship to Anthony stated in will of Johannes Kyst
  Death--tombstone, we have photo
  Burial-we know where
JOHN CONARD, birth--Bible record submitted by Frederick L. Klein supplemented
  by 1860, 1870 census, Roster of Iowa Soldiers--gives approx age
  marriage--Loudoun Co, VA record
  death--pension declaration by widow
  burial--likely in Iowa City, yet to find for sure
GEORGE NELSON CONARD
  Birth--we will have to find grave or other data, census records, etc.
    and add statement by Jane about other child + 1830 census in OH as child,
    + letter about other Licking Co, Conards and explanation, rationale, from me
  Marriage-Knox Co, OH, "Nelson" Conard to Lucinda Myers
  Death-24 Feb 1894, Clinton Co, IA
  Burial--
JOHN W   CONARD--will need middle name, either Wm or Wesley I bet
  Birth

Marriage to ~~Jane~~ Alice Pearson, need
Death
Burial

When I called Oakland Cemetery in Iowa City yesterday, I asked for any other similar spellings & here are the ConRAds buried there:

Catherine Conrad; 41 yrs.; 11 mos; 6 days; 6-21-1871
✓ Daniel Conrad; Co D 37th IA Inf.; outlot 4, lot 6 (this is our John)
(There is no Daniel Conrad for the 37 Inf. listed!!!) Who is he? Who is the Carl Conard who supposedly was also in the 37th? Someone screwed up somewhere...One of them is John.
Frederick J. Conrad; 1 mo. old; 6-2-1860 or 69; block 1; welfare section; lot 16; died of fits.
Mary N. Conrad; b. Lykens Twp., Dauphin Co. PA--11-20-1845; died May 12, 1935
O.D. Conrad; 22 IA Inf. Co K; block 6, lot 23

HOORAY!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!
It is now only a formality. You will be the first to have gone in on John Conard, son of Anthony. I feel the others may be thru Anthony, Jr. but do not know.
You are a hero, too, as you will be the FIRST to submit Mary KYST as the full name of Anthony's wife--her maiden name heretoforth unknown.
Later refinements can be made, but the important thing is getting in.
Let us complete the papers, we all but got our answer.
You did good work. Regards, Erik

Hi Erik,

From the National Lineage Research Office, there are 15 applications through Anthony, the son of John Cunard. The DAR does not know Mary's maiden name, so that will be a feather in Sandy's cap. The latest DAR # is 583389+8082 which places it in the early 70s. My national # is 683220 and I joined in 1980. There are no applicants who joined through grandson, John.

John Curnard was born in Philadelphia, lived and died in Loudon Co. VA. He has a Virginia Line Land Grant. (If you don't have that and would like it, I can get it for you at the The Library of Virginia in October.)

Proof of service is good and the lineage through Anthony is well proven and no further documentation is required. They offered to go into the earlier applications and check further. However, at this point I think Sandy is in great shape. I was mainly concerned with relying on an old application for proof. The work you've done to assist her should be without question.

That's all I know for tonight. In reference to your suggestions for improving membership, I'll write tomorrow. I'm kinda brain dead tonight. think I'll go to genealogy chat and hang out for a bit.

Talk to ya tomorrow.

YAHOO!
New Greg-Wilson information for me, Kyst/Kleist, a will found in a marriage book that I ALMOST JUST BOUGHT but turned down, and there is a web site of another submitter on the Kyst line who knew about Molly & Anthony. Searching for "Bruners of Schifferstadt" brought up this relative, Maurice Woehrle. He has other sources on that Kyst line!!!
Oh boy, oh boy, oh boy! Thanks for your input Erik. I feel much more secure now = breathing easier.

Greetings Sandy.. I did enclose a copy of the page "Elizabeth Klein's Bible". I had thought that DAR had to have a title page of the Bible that was being sent in as proof. But two or three years ago I went to a DAR had a "genie" workshop in Raleigh, NC. In case you don't know a "genie" is a DAR member who goes to DC and works on clearing supplement papers that have been sent in by members. It is a volunteer thing and they have begun having part of the study course in different states which can be completed in DC. At the workshop we were told that even a Bible record without a title page could be used as proof. So even though I didn't really believe it and had other proof to support my statements I sent in the Bible record anyway. I am sure that Erik sent you a copy but here it is again. When I was doing my first papers I felt like you do and collected so much information in to support the proof I had and later found out that they don't even look at the extra stuff sent in. All they care about is having the proof to support each statement and the connection between generations.

ELIZABETH KLEIN'S BIBLE 1796 (I have copy of this page)
John Conard, born March 9th 1785 Decd
Jonathan Conard was born December 21st 1787
Elizabeth Conard was born April the 28 1789
Mary Conard was born June the 25 1791
David Conard was born April the 23 1793
Catharine Conard was born November the 6 1795
Nancy Conard was Born December the 18 1797
Anthony conard was born October the 24 1799
John Conard was born October the 12 1801
Amelia Conard was born August the 7 1803
Westley Conard was Born January the 29 1806
Nelson Conard was Born July the 24 1809
These are the Children of Anthony and Mary Conard

I don't think that I have who has the Bible now. My copy of the page is in my paper file so I will try to remember to check there for you. Did Erik send you that Bible copy and if so did he have a source for it?

I don't know that you will get a copy of my papers or not. A lot of people have gone in on John Conard the father of Anthony Sr. I had sent for a record copy of his papers and got one done by a Barbara Jane Conard Grandstaff. She was through the line of Nathan Conard b 20 Feb 1738 - a brother of my ancestor Elizabeth Conard KLEIN and your John.

The following I tried to order twice with no luck. If you get it will you send me a copy?
From the Files of the Virginia State Library - Surname File: Conard, John, - Soldier-Army, Cert.- Maj. A. Waggoner. Voucher 1785.
"I do certify that John Conard entered the service in July 1775 and continued in service till Jan of 1777 being (hampered ?) with fits which rendered him unfit for service.
Given under my hand this 25th April 1785

In order to completely identify all these folks, I submit this data....Nathan Conard & family lived in Burlington twp., near Homer, and the Conard Family Cemetery, where many lie, is also called" South Lawn."

I have almost every descendant and middle name, etc. for the entire tribe to the 1940s. To further identify the family in the census you scanned, here is a complete list of Amos' and Nathan (his father) families. You will find a perfect fit.

okay...we must say that this has been one heckeva learning for you and that you have picked up a lot on your ancestry along the way, most of which was already done. I have not yet sent you the salient details, but will. However, first things first.

You can bet your bippy that Alice will "kick ass" in DC as we have her blessing & it may well be an ego thing with her--much to our advantage, see?

I would continue to press Dixie, nothing to lose. My feelings are that Fred only had a copy or a copy (bible record) of a copy, but who knows what are in his notes. This would be well worth exploring.

Try to settle on a name for Phinis or Phineas or what have you but be sure to point out the continued use of the name as this ads to our "preponderance of evidence" theory.

In the '50 census, enumerating John & family....USE DAVID,* do not mention it is hard to read or give some clown the chance to cloud the issue saying "it might be David." Bull shit. How many other CONARDs are around there, anyway? And I might add DANIEL is not a CONARD name by a long shot. DAVID was a name we took from our POTTS ancestry, and Anthony, Sr. had a brother David, too, who died a young man, buried in the Potts Cemetery in Loudoun Co.

Oh, yes, in Judie Hines' ancestry, the KLEINs...I might mention that Elizabeth Conard Klein had a son....NELSON....many examples of that name carried down.

and, of course, you likely know that Anthony Conard, Sr's son NELSON changed the spelling to CONRAD, and his son, Thomas NELSON Conrad, famed confed. spy, & later president of Virginia Poly...carried the name, too. You could cite all those who had a name NELSON to add to your points and relationships. I can help if needed, never thought of that...that of NELSON being carried down as a popular name in the family....yessirree....

Get all you can....no doubt you will win, but get all you can. You are amassing a real good case and learning, having fun doing it...and winning!

Erik

* it turned out to be Daniel (Willis Daniel Conard)

another thing...seldom does a kid who lives past infancy and dies does so without a marker. I would BET there is a cemetery near where John lived, in KNOX Co., where the children are buried. The spelling of the boy, Phinias or what have you, could be but another piece of evidence....KNOX county may indeed contain more. The fire in Licking Co was tragic, but Athlyn Luzier (dec), Thornton Conard (dec), Gertrude Medler (dec) and I have turned EVERY stone in Licking County to make up for the burned records and Thornton headed up all the cemetery recordings, and I had a copy (donated to Denver Public Lib genealogy collection) and all CONARDs ID'd there so KNOX may hold additional stuff. Just another thought....Erik

Dennis Cunrads, otherwise known as Thomas Kunders, who came from Crefeld, Germany, on the border of Holland in 1683, and was one of the first settlers of Germantown. He lived on a farm in Chester County, Pa., until he sold same 12 mo. 2, 1832, when he removed to a farm on Haddonfield Road near Camden, N. J., which is now called Westmont, where he continued to reside until his death. He was buried in Haddonfield Friends' Burying Ground.

George as son of John....only obstacle.
We may apply the "preponderance of evidence" to accomplish this. As,
you already have the marriage of John to Eleanor Gregg.
The 1830 census has a son, no name, but one to Eleanor & John
The 1840 census...dunno, think you have, though
The 1850 census shows George Nelson
    the name Nelson used in many Conard families in Licking Co
The spelling of double N on Connards used only by descendants of REV WAR vet
John, and they all finally reverted to CONARD. The double N separated them
from
other Conards.
The fact that Anthony, Sr. and John and G. Nelson all lived close-by in
Licking Co.
CONARD is not a common name...even more convincing.
The fact that Anthony Sr's son John...had a son, George (after GF Gregg)
NELSON,
    Anthony Sr had a son Nelson
    Anthony Sr's dau Elizabeth had a son Nelson Klein
    Anthony Sr's son Anthony, Jr had a son Nelson
    Anthony Sr's son David had a son Nelson
George Nelson and father both in Iowa city. Same migration route...
John died in Iowa City, G. Nelson in Iowa
G. Nelson named son John Willis...after BOTH grandfathers
Ages all match as do census records on birth
Just some things to throw in.....keep me posted. Erik

Hi Jean,

I am flabbergasted that the person in charge of my DAR app in Wash. D. C. refused to go get the photocopy of that antique bible record from the other DAR member's file. Would you believe that it took the Natl. Chairman to do this on a break one day last week while she was there on business? Yes, this wonderful woman said she'd find it for me & she did, and also photocopied it. Now, why anyone should have to go to such lengths to get approval is beyond me. If the original bible were to be found, I doubt that the owner of it would allow it to be smashed on a copy machine for a stranger wanting to get into the DAR.

What I would like to know, is if you have a copy of the memo or letter the DAR sent out stating that they weren't going to go into other DAR member's records for vitals. I think this genie in charge of my file just wants to reject it overall & I am really upset. I'm formulating a letter stating how gen. 6 & 7 fit together through a preponderance of evidence. I am also submitting a statement from the person who spent the last 40 yrs. researching the Conard surname & he's no dummy, either.

In addition to that, I just received a birth certificate of gen. 6's (Geo. N. Conard) grandson & the father's full name is given, further tying gen. 6 & 7 (Geo. N. & John A. Conard) together. The father's middle name was the key & I was correctly betting that it would be John Willis Conard--named after his grandfather & his grandmother's maiden name. This will also be included in my packet, along with a decent image in 1860 showing that same John with a middle initial of "W" at age 11 mos., and as soon as Oakland's center is open again, I'll include a 1900 census showing J. W. Conard with the child named in the birth certificate.

I've recently checked deed records for the county gen. 6 & 7 lived in for about 10 yrs. before moving to Iowa & no luck. Film of newspapers ordered from the State Historical Society of Ohio revealed nothing either--one was supposed to be for the year 1840 in Newark, OH but they sent a 1977 Argentina newspaper. The other was missing the month of Dec. which is what I wanted. Last year I purchased a book as well as a CD of indexed (only) biographical write-ups on individuals in Iowa & my guy is not in one of them. So, I'm left with proving through the passing down of certain names in the family, as well as the migration of father & son to Iowa at the same time, and living fairly close to each other, that they are indeed who I am claiming them to be. There is nothing more that I can do since every record that can be found, has been found. So, I just want to update you & I sure hope that you can let me know what the DAR stated about going into other members records because I'd like to know.

→ for something on our Anthony Conard who died in 1840

Thanks a bunch,

Sandy Sorenson

Ask any questions, if you will...As regards the 1830 census:
John Conard, son of Anthony, in 1830 had only one son then (yours)
John Conard, son of Nathan, in 1830, Burlington had two sons and three daughters
John Conard, son of Joseph, in 1830, Washington twp., had no children 'til late '30
I think the rest is self-explanatory. We have to put up with weenies who do not have the guts to question officials.
You are winning if not have already won.
You will have one helleva path blazed for others, too.

The name NELSON permeates this CONARD family for several generations.
The John Conard, RW vet, family consisted of sons Anthony, Jonathan, John, Nathan, and Joseph who grew to maturity and had issue. Only John, Jr. remained in Loudoun Co, VA. Anthony, Jonathan, Nathan, and Joseph all moved to Licking Co, Ohio from 1803 to the 1820s. These men had the habit of spelling the CONARD name with two N's to separate themselves from the CONRADs and to further identify themselves with a particular branch of Conards. Later generations fell into line and resumed the single-N spelling. I say this to further connect the John Conard, son of Anthony, son of John, RW vet, branch as census records make this statement.
Anthony Conard, Jr wed Nancy Gregg, dau of George Gregg & Elizabeth Wilson.
There have been DAR members who have used this line.
John Conard, son of Anthony, Sr., wed Eleanor Gregg, a daughter of George Gregg and Elizabeth Wilson. Two brothers married two sisters, a common occurence.
The given name NELSON has been used in all these families, and I am pointing out that John Conard, son of Anthony, Sr. named his son George Nelson, the George for grandfather Gregg, and the Nelson after a favored uncle who died without issue. I have a complete list of all the sons of all the Conards who went to Licking County, Ohio. Furthermore, I have a complete list of all the grandsons of all the Conards who went to Licking County, Ohio--and great-grandsons, if you will....
John Conard who wed Eleanor Gregg is the only one who could have had George Nelson Conard as all the other candidates are accounted for, The double N habit of spelling the name is in this family, too.
The applicant can furnish the various Nelson connected-names, and I have worked with her on this lineage from the onset of her application.
I have worked on the CONARD family for over forty years. I have over 35,000 descendants of the immigrant Thones Kunders who helped found Germantown, PA in 1683 and am generally recognized as the authority on the CONARD & CUNARD families. In addition, I joined the SAR on the same John Conard of Loudoun Co, VA
I would unequivocally state, on the preponderance of evidence used due to the court house fire in Licking County, that John Conard who married Eleanor Gregg was a son of Anthony (BIBLE record on file at DAR) and that this John Conard was indeed the father of George Nelson Conard, said applicant's forbear.
Over the years I have worked on the applications of many persons seeking entry into various patriotic societies. This is one of the stronger cases, and I can say, without doubt, none were rejected. There have been a goodly number of DAR aspirants who have had cases certainly less convincing. And, finally, the name CONARD is hardly a household name, and the sheer fact of migrations and naming patterns should mean something to even the neophyte lineage official.
I have worked with the applicant on this line and salute her scholarship.
There is no reason to reject this applicant in my opinion.

Hi Sandy,

You are most welcome. I enjoyed the challenge of preparing an evaluation of evidence worthy of submitting to the Board for Certification of Genealogists. This is something I can present as part of the requirement for my recertification in 2005. That said, I followed the BCG Genealogical Standards Manual to the letter.

I don't think Erik quite understands the evaluation of evidence principle. Perhaps he does and was just trying to be obtuse. :-) To do it right, one must not only give all of the evidence as to why one man has to be the father. Rather, one must give all of the evidence as to why the other men cannot.

I'm not sure why Erik experienced a change of heart and decided to help me. I flat out told him I was getting more than a bit tired of being berated and that he was preaching to the choir with his complaints regarding DAR.

Anyway, he sent me some of his group sheets. I copied and sent them "as is" citing him as author. It was fun to work with that brilliant mind, instead of being the brunt of his ire. If that paper got past Erik (with glowing praise) I am confident it is my best work.

I'm glad to know you have a couple of backup ancestors in case the genealogist doesn't accept my paper. If they don't take what I sent, send one of the others lines as an alternate ancestor. No additional fee is required to switch ancestors.

I put a copy of my paper, the George Gregg will and the best copy I have of the Bible record in an envelope today. I will mail it on Tuesday.

Thank you for giving me the opportunity to stretch my abilities as a genealogist. It will be even better if we win the battle.

please find eclosed, probably in reverse order, some exchanges between Alice of ND, and me as she raised some questions the underwriter proposed and I had the info and you did not, but wanted to inform you what I had done. I can now see no reason for further interrogration by that DAR official. Cross our fingers. Alice does not know I have sent you copies of this, so do not let on, it is just for your own info. I do not know if Sandy called or visited Iowa or what, but I do know she has put out a lot of bucks in this quest.
I do not know why you would inquire about an estate division for this John Conard, son of Nathan, in Licking Co, as he died in Dayton, Montgomery Co, so would not be there anyway. Be that as it may, any record of him in the Licking co, Court House would have burned.
The Licking County Cemeteries have been catalogued and the DAR Library was sent a copy. I helped with an addendum. Thornton French Conard, by the way, a descendant of Mahlon, was active in the SAR chapter in Licking Co and he spearheaded the cemetery project about twenty years ago.
The book "Descendants of John Conard of Loudoun Co, Va" was written in 1939 by Amy Metcalf Bowen, descended from Anthony Conard, Jr, brother to Sandy's John, and this Anthony & John also married Gregg sisters. The DAR library has a copy of this book, too. I got acquainted with this Amy, who was a WWI nurse, spoke and wrote Mandarin Chinese. Her hubby, Col. Bowen had an illustrious career, too.
There are a few biographies of Licking County Conards as they were (and still are) very prosperous farmers in the County. One of the saving graces in this case is that some Conard records are in Knox Co as the Conards lived near that border and the town of Mt Vernon, county seat, is closer and larger than Licking County's.
I hope you understood that I only focused on those Conards of John and Mahlon who would be in the age bracket as George Nelson, son of Sandy's John. I reckon I've a goodly number, perhaps 40 pages, on the aforesaid John & Nathan, including pictures, stones, clippings, obits, etc.
Let us hope your thorough underwriter finds this stuff of use and that Sandy can go on with her Conard research...she is still doing it, but descendants, not of the line she is proposing to the DAR.
Many CONARD descendants have gone in on Anthony Conard, Jr., bro to the John whose connection is being scrutinized.
There are two other CONARD families nearby in Belmont Co., and I have virtually all on them. Quakers, too. With 35,000 CONARD, etc. descendants, I am wrapping it up. Have 200,000 names in my bases and am still pursuing a few lines, likely will never quit. However, I am becoming crotchety with those who will not read or who will copy secondary and tertiary sources without question. Please keep

Hi Erik,

Alice suggested that we'd have to provide proof that G. Nelson couldn't have stemmed from any other man & I was working on it but I guess she got impatient & ended up contacting you. I would have needed to bug you anyway, & I still have an unanswered question: There were three John Conards in the 1830 Licking Co. census. Mine was the only one spelled Connard. The other two were in Liberty Twp. & Burlington Twp. Which one was Nathan's son & in which twp? Who was the other guy?

Went to FHC in Oakland yesterday & made some copies of those census records---yeah, more paper. I also finished that deed microfilm for Knox Co. with no positive results. The latest film that just came in is to look at probate records for the time & place of G. Nelson's death in Clinton, IA. Haven't looked at it yet. Alice asked you about probate or estate distribution for John in Iowa City. I actually paid for the index from the local gen. society & then threw more money at the court house to look up a certain name and got a printout on the result--total cost $30 for nothing.

Alice is trying her best to help me & I've told her I appreciate her efforts. She's going to take it to the top, which is most likely needed. Would you believe that it took 3 yrs. for Judie Hines to get accepted to the DAR? I contacted my local chapter's president about the frustrating problem & asked why it should take such tactics to get things done correctly & she didn't respond. She just passed it on to that registrar who grates on my nerves. She called whining and said she understood but that there was nothing they could do & she didn't want to upset the other ladies about it so that means I'm supposed to keep my mouth shut about the bullshit. This is especially why I appreciate Alice!

Anyway, I've shared my crabbiness which you don't need & am really wondering about those two Johns in 1830.

Thanks, Sam

Nothing else. Joseph of Guernsey Co. was no relation to Joseph, son of Nathan..... I think that is a reasonable assumption. Census is of no help but to eliminate all except John and Mahlon as prospects for parentage.

The difference in spelling... Connard vs. Conard is a nice try except that in 1840 the census takers decided on a uniform spelling and all became Conard. I'll call Licking Co. tomorrow and ask about probate.

Do you know if Sandy actually CALLED Johnson County, Iowa to determine that there was no estate inventory or distribution? If she was going on what is available from the LDS, I should call the clerk of court and ask a few questions.

Unless one specifically asks for a distribution, estate inventory or an accounting, one is not likely to see those.

Erik,

Thanks for the information. What is your documentation for the children of John Conard? If we can document children, we eliminate this John as the father of George. If we eliminate Mahlon, we have eliminated the competition.

Of whom is Joseph Connard of Gurnesy Co? Information says that Nathan had a son, Joseph. It doesn't seem logical that this would be he. On the other hand, genealogy is not a a logical endeavor.

Hi Erik,

It's been awhile since we conversed but want to touch base with you once again. For the past 10 mos. I've been taking care of my father who was battling non-Hodgekins lymphoma. In June he absolutely insisted that I take a break from his caretaking & buy a plane ticket with all the travel accomodations on his dime so that I could get to Iowa & find John Conard's grave, as well as see if any of the hostile kin in Iowa City would be willing to meet with me. The very day (July 18) I found John's grave, and at almost the exact time, my father passed away in CA. I found John in Oakland Cemetery, Iowa City, Outlot 4, with 3 other military graves in the immediate vicinity. His stone is heavily damaged & the left side of it where the first name goes is unreadable, yet if you run a finger along the letters it feels like Da- -, with the last letter a tall one as in a letter I (L). You also have to feel for the Conard but the letters are easier to read & it is definitely CONARD. The lower portion says, Co. D 37th IA Inf., & that's it. The card in the cemetery office says, John Conard.

The kin (Dad's 1/2 brothers from his hidden/ illegitimate side) want nothing to do with me and that's life. I had a wonderful time cruising along the corn fields searching for gravestones in 4 different counties & even managed to get invited into homes of relatives to the hostile jerks & myself, so it was well worth the effort all the way around. When planning the trip, I'd inadvertently made a wise choice to switch motels from Linn Co. to Johnson Co. for the last two nights, and wouldn't you know, the tornado winds went wild back in Linn County, well away from harming me.

Just today, I found what I think will be the last missing link alive who is interested in the family history at this point regarding my Conard/Marcellus/McMahon, etc. records. This 2nd cousin is in her 70s & when I called & told her that you'd helped me with a portion of the family history & how I had so many other records along with photographs of many people related to her, she went nuts! I've wondered where she might be located but being so busy this past year and with Dad's mental inabilty to help much, I didn't earnestly try to find her until now.

So there you go Erik; you are touching people you've never known & your legacy will go on & on!

My sincere adoration & affection,

Sandy Sorenson

Heavens no, but I can check it out for you. They cost about a thousand bucks each.
HOWEVER, I have some promises...Remember you said there were some other Conards, of Chicago, well, I went to looking. I did not recognize "JN" but "JW" I did. Then I remembered the J and I were often misread, and I knew I had seen a Isaac Newton Conard reference in my Lee Co., IL records. While they have no apparent connection with these Conards, there is a marriage connection. Then I went to my unidentifred files, over 3,000 of them, searched and report this:

OK, Sandy, you sold me. I just did not want to be a part of the creation of any false hopes. I have a VERY strong opinion that your George Nelson Conard is indeed the one. I have never asked for a dime in the past for information on the family and do not intend to start now.

Anthony Conard, aka sometimes CUNNARD, had at least one son who took the spelling CONRAD. I finally found them, and found some of them not very friendly as they refused, in spite of proof, to believe their name was anything but CONRAD.

Thones Kunders, whose surname was changed radically generations before and after him...pronounced his first name as Toonis, and the last as rhymes with thunders. He was known in later years as Dennis--a close rhyme to Thones--Conrads...the "O" in the name like our "u", cun=fun. There are yet today some CONARD and CUNARD families who pronounce it CUN'erd. The Loudoun Co. folks, both the Cunard and Conard (Cunnard, Connard) folks said it that way, and it was not until the mid-1800s that it became CON'erd. Later some folks wanted to be high-fallutin' and now say it "ka-NARD'"--what a contrast to Kunders!

Anthony Conard had an uncle, James Connard, Cunnard, Conard, who came down to Loudoun Co. with his widowed sister in law, Sarah Hatfield Conard, from Montgomery Co, PA in the 1750s, and he went over to what is now Hampshire Co, WV. James' only producing son was constantly fighting the name spelling and even in Hinshaw's Quaker records it is often misspelled CONRAD. And there's a large CONARD family in PA, who had many CONARD reunions, had two of the men change their name spelling believing CONRAD to be correct...it was not and is not. Anyway, James fought in the Rev War and so did this son, James, Jr. Well, about 1797, James, Jr. headed west with his family. He visited awhile in Belmont Co, OH, a popular crossroads for Pa and Va Quakers, went on to Licking Co, and visited his sister, Sarah CONARD Butcher, who lived smack dab in the neighborhood of the Loudoun Co. Conards. And then he went on to Montgomery Co, IN, just south of Crawfordsville. The misspelled his name on the Darlington, IN deed "CONRAD" Fearing title problems, the family adopted it....it was many, many years until I found them that I made the connection--then they told me "We always wondered why our family name was spelled CONRAD yet old timers insisted on calling it CONerd. This hung on until the middle 1950s but some old ones yet, farmers, persist on the old way. Just a bit of trivia. Also, in Crawfordsville, there was a family of CONNARDs, yes, Kunders descendants, too, but neither ever knew of any kinship until they had been there 150 years!. And, there are two DIFFERENT farmer CONRADs who lived within two miles of our CONARD-CONRADs, no kinship at all, and I traced them,

too
I want you to read this as it will give you a good back ground on the family. It is a
synopsis of all the CONARD, etc. histories in English and German and attempts to
tell of name changes, relationships, etc. Most genealogy libraries have this:
Pennsylvania Genealogical Magazine, 1982, #3, pp. 191-207 "Ancestry of the Thirteen Germantown Immigrants," by John Brockie Lukens. It is a must read.
Also, if you have not, put the "Original 13" on your Favorite Places marker and join
us on that site, as it has the most sophisticated researchers I know of on our topic.
Thones' first son, CUNRAED CUNRAEDS, how he spelled it, pronounced CUNRADE CUNRADES, and his son Anthony spelled it CUNRED, slurring the RED to erd....
He was the grandpa of Anthony of Licking Co, OH
The Potts Family is fairly well discussed in Thomas Maxwell Potts' History of the Potts Family in America, 1901.
And remember, John Conard, 1738-1803, fought in the Rev. War and is listed in the
DAR Patriot Index....many have used him.
This will keep you busy a while. Then contact me again. Regards, Erik

John Conard, who married Elizabeth Gregg, was a son of Anthony Conard, a stone cutter by trade. He was possibly in the Rev. War, born in 1765 in Loudoun Co, VA,
the eldest son of John Conard, 1738-1803 and Elizabeth Potts, 1740-1815 of Loudoun Co.; John died there. Elizabeth then went to Licking Co, OHIO with son
Jonathan Conard, and they'd followed siblings Nathan and Joseph, and were joined
by Anthony in the 1820s. The other brothers, Samuel, David & John, Jr. (mine) all
died in Loudoun Co. I have the Conard ancestry and the Potts ancestry back several more generations. Nothing else new. Erik

I submit the following emails in case anyone is interested in how difficult it was to connect George Nelson Conard to his father, John A. Conard. Without the help of Erik P. Conard & a member of the DAR in ND, my application into that organization would never have been approved. They had to show all of the Conard families in Ohio including their children, to prove how John A. Conard was the only likely candidate as father of George. I turned over every scrap of evidence possible & could find no absolute proof in writing.

possibly the State Lib. in Richmond?

Erik donated all of his files to the University of VA. There were donations to the Denver Public Library as well, although I'm not sure what he donated to that facility.

OFFICE OF PUBLIC AFFAIRS

April 15, 1999

Ms. Betty Leach
7541 Oak Leaf Drive
Santa Rosa, California 95409-6263

Dear Ms. Leach:

This is in reply to your letter of April 7, 1999, requesting genealogical information.

The Railroad Retirement Board, like the Social Security Administration, was not established until the mid-1930's, and it began maintaining its own records of all covered rail service in 1937. Therefore, the Board's service records are limited to individuals who worked in the rail industry **after** 1936.

We have no records whatsoever of individuals who died in 1905, or of their survivors.

In the event of future inquiries, you may wish to note the following:

- The Railroad Retirement Board administers a Federal retirement benefit program covering the nation's railroad workers. The records it maintains are primarily administrative in nature. The Board will provide information from these records on deceased persons for the purpose of genealogical research. However, it will **not** release information on persons who are still living without the written consent of that person.

- The fee for searching our records is $16 for ***each*** employee on whom records are requested. This fee is payable before any search is attempted. It is not refundable, even if we are unable to locate the information requested or if the file has been destroyed. Your check or money order should be made payable to the Railroad Retirement Board, and sent to the Office of Public Affairs, Railroad Retirement Board, 844 North Rush Street, Chicago, Illinois 60611-2092.

Printed on recycled paper/with soy ink

- The Board's records are kept by the railroad employee's social security number. In some cases, if that number is not available, having the employee's full name, including middle name or initial, as well as his or her complete dates of birth and death, may be of some help in determining whether we have any records of that person. However, in dealing with relatively common surnames, and/or cases where even this minimal information is unavailable, it is not possible to determine whether we have any records of a person without knowing his or her social security number.

Sincerely,

Bill Poulos

The following letter was sent by Shirley (Bereman) Tracy. She is the granddaughter of Maude Conard + Harry Ray. (Maude Conard was your Amanda's sister)

Shirley is about 86 yrs. old now + I last spoke with her in early June of 2010. She'd had a mild heart attack but is alright it seems. If you would like to contact her, here is the information needed. By the way, we can thank Shirley for the photos of Lucinda (Myers) Conard, as well as the old Bible records.

Dear Sandy,

Your original call really sent my "old" head spinning. I'm afraid all of the super information you were giving me, got me somewhat confused as to what pictures went with which ~~persons~~ familie's. (You can see I am still flustered. (When you're nearing 78, your thought processes get somewhat confused)

I've gone through the pictures I have & sorted them out. Some I will give to you to keep, as I have duplicates. Others I will copy for you.

One of the smaller ones is of a little girl, with lots of hair. She must be a Conard, as all the pictures of Sarah & Maude were the same size & probably taken at the same time. I couldn't quite make out the name written on the back — so you can have the challenge of figuring out who she is.

It looks like ~~Bessie~~ Bessie? (McMahon)

I'm also including copies I made of our ancestors names which were in our old family bible (I guess). The pages had been torn out by someone & my mom must have had them.

Also, Carl Fenn, my friend who knew the Conards in Clinton, ~~has~~ had an ~~sister~~ aunt who, some years ago sent me a little book, with short stories of the Conard women.) ~~I am sending this to you in hopes you might copy the information for yourself — then return the book sometime to me. (My old type-writer is a pain to use, or I would do it myself)~~ I think you will get enjoyment reading the little "notes" of remembrance. I know I sure did!

Sandie, I decided to write out all the words in the little book, rather than send it. OK?
S.

As for me, I 1927 (and my brother Ellis 1922) was born Sept. 26 in Chicago, Ill in Storm Lake, Iowa. After my father died (in 1926) my mother, & Grandma Maude & us kids came to Calif. to Huntington Park. (I really never found out why.)

Evidently, Maude had stocks & bonds & lost most of everything in the "crash" of '29 (or?) Before that, she spent a lot of her funds helping mom with all of my 7 operations as a youngster. (I was born with tumors in the lymph-glands in my l. hip & left lower leg. & have numerous ugly scars to prove it.)

Grandma somehow knew a wonderful man named Harry Bartlett, who sort of took us all under his wing & looked after us. We were really poor. I remember each Christmas he gave our little family 5 pounds of chocolate & what a thrill it was. Also, we loved to go on long drives with "Uncle" Harry in his big beautiful kelly green studebaker with big white tires.

Harry wanted to marry Maude so desparately, but she said she would never remarry. They went together for several years, until he passed away. Grandma Maude passed away at 74, ~~in~~ July 28th 1944. I was married July 25th, 1943. and had our first child (named for Ronald Reagan) June 2nd 1944. Reagan was the officer in charge of OKing allotments to soldiers for dependents, etc. Cliff (my husband) was stationed at Hal Roach Studios in Culver City, Ca. with the First Motion Picture Unit of the Air Force. (Many "stars" were members of this unit.) Reagan signed his papers.

My mom (Theo) went regularly to the USO's to help out. After my step-dad died in Mar. of 1943, my mom asked me to join her at the local USO. in C.C. It just so happened, it was Cliff's first visit to the USO. We met, played table tennis & danced & - well - you know the rest - we were married about 3½ mo. later.

The USO just happened to be in the 2-story home of stage + screen actress-dancer Gwen Verdon's folks. It was really close to M.G.M. I, earlier, took tap-dancing lessons from Mrs. Verdon. Gwen and I were really close friends during grade-school. She only went to H.S. 'til the 11th grade. She entered the picture industry, + met and married a young reporter by the name of Jim Hennigan + had a son. Later, they were divorced. and she married Bob Fosse + had a daughter They did attend our wedding tho' + I've kept in touch with Gwen, through letters, all these years. My 2 best friends from C.C. Grammar School and I were really saddened at Gwen's death, over a year ago. But we're all so proud of her accomplishments. At our 8th grade graduation Gwen danced (all in gold) with purple lighting, to "Deep Purple". It was a ballet and so beautiful. She had the lovliest golden colored hair, and was really a lot of fun to be with.

When we moved to Culver City in 1932, my step-dad (Charles Toombs) got a job at ~~th~~ Helms Bakery, driving one of their trucks. Later at a gas-station, ~~where~~ where he worked, he met some of the limousine drivers (chauffer's) from MGM. who came by for gas. When one of the driver's passed away, dad was given the opportunity to drive for the owner. That was really fun for Ellie + me. We would go with dad in the evenings sometimes to ~~delivr~~ deliver scripts to the stars homes. Dad also drove the stars on "location" + once drove Clark Gable up here, near where I live now, to shoot scenes for a picture. They became good friends.

The same with my mom. Theo worked at MGM as an extra for a few years + later became

Nelson Eddy used to give Mo. hugs all the time

"Stand-in" & double for Jean Harlow, Una Merkel and Jeanette McDonald. She was in many pictures in the late 30's. After her film career, she went to work in the Irving Thalberg Bldg, in the Executive Dining Room. This was on MGM property (and catered only to the directors & producers & gave lavish parties to special guests.)

Whenever a famous person was visiting, Louis B. Mayer feasted them in the Ex. Din. Rm., so mom got to see many famous people. Kings, ambassadors, etc. Mom was liked by everyone. The young starlets, especially. June Allyson cried on mom's shoulder when her husband, actor Dick Powell, died. Debbie Reynolds also when Liz Taylor took Eddie Fisher away from her.

The actress-dancer Eleanor Powell gave dad a bottle of champagne one Christmas, which he saved for my H.S. graduation. Mom introduced me to Gable just before Xmas in 1943. He signed a big picture of himself for me.

I started work at MGM in the summer of 1942 after graduating from H.S. First in the script dept, then in the Fan Mail & then in mimeograph dept. We ran off all the scripts & assembled them. A boy I was dating at the time was leaving for the army his position in Publicity Art (some mimeo work) & they needed a replacement. He recommended me. That was a really fun job as all the publicity photos of the stars & starlets came thru that dept. I ~~would write up~~ was given the "infs" on a stencil, mimeod & mailed it out. ~~& type it on a stencil~~. ~~Then run it on the mimeo.~~ These were sent all over to Loew's Inc. & Theaters, etc.

Peter Lawford was really stuck on himself

The fun part was when the starlets, etc would come up to see their pictures, etc., they would sit & visit with us for hours. I fell completely head over heels for Van Johnson. He was adorable and so nice. When the Dept. was going to have a pre-showing of Van's first picture, I asked him if he'd like to go. With Keenan Wynn driving, his wife, actor Barry Nelson, my girl friend & Van, they picked me up at home. I was so excited I forgot to have mom take a picture of us. When Van came in, he saw dad, & said "Well, hello Charlie"! He knew Mom also.

During W.W. II, the base where Cliff was stationed, (which I referred to earlier) was sworn to secrecy. They were working on a "special project" which no one was allowed to talk about. A lot of the plans for the Atomic Bombing of Nagasaki & Hiroshima were worked out there. I didn't find out until after the bombing. (Cliff worked on the lighting.) He soon became very interested in cameras & he built a dark room in 2 of the places we lived afterwards. Seems you are interested in that also. Great!

Back to Genealogy

I believe Olive McMahon-Leber (I called her Aunt) was one of Sadie's girls. She was married to a wonderful man named Van Leber. (Lots of chins as I recall.) Our families were very close & we spent a lot of time visiting them. In those earlier days they lived in Beverly Hills. (Van was with Richfield Oil I think.) They had a beautiful home, which I loved to go to. All the furniture was carved Chinese & they had a big clock that chimed— which fascinated me.

Van's dad was in the export import business, & traveled to the Orient in the early 1900's regularly. I'm sure that's where all their furniture & objects came from. His mother Edith Fisk, must have remarried sometime, or else it may have been her maiden name. We called her Mother Fisk. After Olive & Van moved to San Francisco, my mom looked after Mother F's welfare. Mother F. was a wonderful artist in her day. I have a beautiful painting on my wall now, dated 1900, and also a few pieces of hand-painted china. She was a scrawny little woman, but so sweet. Mother loved her dearly & insisted she eat regularly. Brought her food!

I also remember Aunt Olive (McMahon) Leber always knitting, until her hands got so shaky in later life. She made the most beautiful knitted suits & always looked very elegant. I recall doing her nails on my wedding day. I loved her! Olive & Van never had any children of their own.

When younger, my brother & I were visiting Olive & Van & roller skating in front of their home. We looked up & riding his bike toward us was Freddie Bartholomew. We were quite excited as we'd seen him in the starring role of "Little Lord ~~Flauntleroy~~ Fauntleroy". (You should try to see it sometime, if you haven't already — a good picture!) He said "Hello!" to us.

I wish I could be more helpful to you, Sandie, but I lack the information.

Lillian (Aunt Lily) was the mother of Clare. (his friends called him Connie) (I called him Uncle Clare. He was so handsome. He & his 1st wife Roberta, (Aunt Bobbie) stood up with mom (Theo Ray) & Charles Toombs (step-dad) when they were married in 1930.) We were really close & spent much time together at each other's homes. Their only child "Sonny" Jones was a musician & played many instruments. He formed his own band & played at the wrestling matches in Ocean Park, Ca. His family lived in Venice, Ca. After I got married, we lost track of each other (I moved to Long Beach in 1946). I've been trying to locate Sonny ever since, but to no avail.

my father Ellis Haviland Bereman died Sept 26, 1926 32 yrs old heart attack I was only 2.

Your poor eyes are probably falling out of your sockets by now — or you've gone to sleep. Honey, I'm sorry I got so carried away, but I do love to write. I write poetry too — (actually just ~~rhyming~~ rhyming)

Sandi, I truly appreciate all you are doing in regard to the Conrads & am looking forward to your correspondence. I'll get these pics done as soon as possible.

Am in 3 bowling leagues & it keeps me real busy. Am in charge of "meals after" in one of them, when the games are held at our "house" (alley).

I think Lillian Conard Jones was called Lily. They were living in Chicago & she was pregnant with her first child. My grandmother (Tish Cook) went in to be of some aid to her. (Tish was considered a "confinement nurse" in those days) Anyway, Tish was called home (to Clinton) because of illness in the family. Lily was distraught, but Tish said not to worry.

The hall in that apartment bldg. had never been so clean. Tish talked with people in the other apts. Told them Lily's predicament and one lady offered to help. Tish reported to Lily and then went home. (Tish had swept the hall.)

Minnie (Conard) (little Minnie) and George (Belles) were a "chihauhau" and a mastiff, but they were happily married. They visited us quite a bit. After George died, Minnie came more frequently. She spent most of her holidays with Hazel Wing, in Deerfield, Illinois, until physically unable & after Hazel & family moved to La Jolla, Calif. Then we had her as a most welcome guest.

She ~~mint~~ maintained that she never wanted to live to be 80 yrs, but she passed that. She had circulatory problems in her lower limbs. First there was "gangrene" in one foot & the doctor wanted to remove it up to her knee. She refused, vehemently, but was ready for surgery later, but by that time there was too much involvement. Consequently she suffered great pain until she died, - on a Christmas Eve. My sister Lois & I staid with her that evening. She always seemed an integral part of our family. She tried to be a

(over)

good Christian Scientist, but said she lacked complete faith. If she felt no better after a "reader" had been with her, she would go to a doctor, and so she shuttled back and forth.

Written by Earl Fenn, a friend

Your grandmother (Maude) was a handsome person. If I remember rightly, she was the tallest and best looking. Your grandfather (Harry) was right goodlooking too. He was on the order of Walter Pigeon (PIDGEON) (the actor)

Your Uncle Harold (Maude's son), and my brother Earl went to grammar school. In their day that was considered as a good education if a person graduated from 8th grade.

You probably know the story about your grandmother and her "corsets". Anyway, there was a fire in their home and Maude threw the corset out of the window. She said they were "brand new"!

These couples, including my folks, would spend nights on Beaver Island, in the Mississippi. Fishing, etc. was done & kegs of beer were taken too.

Sammie Jordan and my mother (Lottie Fenn) were out one day. They had a sunfish on the line, suddenly there was a commotion & a large pickerel had swallowed the sunfish.

Just another story! Sadie & Bert attended the visitation (wake) and ensuing funeral of your grandfather Harry Ray. Bert staid as long as he could at the wake & just disappeared. Sadie was disturbed, but had one hope — that Bert had gone to visit the Cooks. He did — spent the night & in the morning — Fish saw that Bert was presentable. Sadie heaved a sigh of relief when she saw him.

"When Sadie and Bert were married, my grandparents were their attendants. I understand Sadie was 17 and Bert was 19.

"Tish" and Charlie Cook were in their early 20's.

My grandparents (maternal) were Letitia Reynolds Cook and Charles Gronson Finney Cook. They were friends for life. Bert and Charlie were "switchmen" on the C + N.W. R.R.

Their children (Sadie + Bert), were Pearl (1. Marcellus- 2 Quinn); no → ~~Hazel (Wing)~~, Olive (Leber). Hazel lived in La Jolla, Ca. + Olive in Beverly Hills, Ca. (before moving to Oakland, Ca.)

Bert was a character! One time, in Chicago on State St. near Madison Ave. (one of the busiest corners in Chicago), as the two couples were going along, Bert stooped over. He was almost crushed. When he finally arose, he proudly showed a "dime". He said that would buy a beer.

They homesteaded in the Dakotas, but I don't know the length of their stay.

After Bert's retirement, Sadie + he had a cottage in Mt. Vernon. He had the "concession" (?) of gleaning a popcorn field near his home. My father bought popcorn for several years from Bert at $1.00 a large sack. It was good too!

A story I must tell. In the Fall, after they were married, Bert came to Grama + Grampa's Cook's place, asking Grandma to go to their house. "For God's sake Tish, go over and see what's wrong with Sade. She's boohooing all over the place". Tish did - and looked at a sorry mess. Seems Bert had put up the stove and had given the chimney a tap to straighten it. So it opened! Grandma said she'd never seen such a mess - soot about ½ inch thick all over. Sade had just finished her Fall housecleaning. Can you imagine a white bedspread, etc?

Another bit about "little" Minnie (Conard) Belles. One Christmas day before the dinner she espied a "Life" Magazine which had a picture of Robert Taft of Ohio. She said she would "spit" on him if he were near. We had never discussed politics at all, so were somewhat mystified.

I can remember a Cecil coming to our place. She loved the "pump". We really had quite a time washing clamshells. The odor left on our hands was obnoxious to say the least. We were probably 10 or 11 yrs. of age. It was really a long time ago.

She was probably one of the Jones girls. At one time she operated the switchboard at Roseland Community Hospital on the south side (way south) of Chicago. So I presume she lived near there.

Other Conard children:

John - a conductor on the C & N W R.R. - Galena division

Isaac -

Ida - married to a Frank Townsend. Their son was Charlie Townsend who died in Peoria.

Sandie:

After talking to you, I spent most of the last week of June preparing for bowling dinner. Then cleaning house + yard. Mardelle's daughter was flying in from Utah on July 3rd. They just left last evening. (Wonderful visit!) As soon as this awful heat (104°) goes away, I'll get these pictures copied + mail all this stuff to you. I'm sorry ~ no how anxious you must be.

INTRODUCTION

PLEASE READ THIS PAGE BEFORE USING THE INDEX

An * preceeding a name indicates that the name is questionable.

The first two letters of the code represent the County.
The last two letters, or numbers, designate the township or ward within a city.

Example: HMCR = Hamilton County, Crosby Township
HM11 = Hamilton County, Ward 11 in Cincinnati

No county contained more than one city with ward designations.
There were only six counties with cities large enough to have wards.

The number following the code REFERS TO THE PAGE ON THE MICROFILM FROM WHICH THE NAME WAS COPIED. This may be either the stamped or the penciled number. Each copier used the number which seemed most consistant on his roll of film. Keep your Township in mind and consult both numbers until you find the page on which the number and Township name coincide.

Sometimes the Census Books were mended before being microfilmed and the Township name was covered, so page numbers must be relied upon.

SUGGESTION: If you do not find the name you are seeking on the page number given with the code, read the page preceeding and the page following. The stamped numbers were on the right hand page of the Census Books and some copiers used this number for the preceeding page too, others used it for the following page.

The writing of the census takers in 1850 was generally better than in the earlier censuses, but some counties show poor penmanship and sometimes poor ink, which made the copying very difficult, at times impossible. We must remember too, that phonetic spelling was commonly used, making for many variations in the same name.

John A. Conard - "Dan'l" on the stone - Oakland Cem. Iowa City   Outlot 4 Lot 6

In July of 2003, I flew to Cedar Rapids, Iowa on a genealogy trip. One of my stops was Iowa City since our John Conard migrated from Ohio to that place & I knew he was buried there.

His stone is one of four military stones placed in the same area in Outlot 4 of Oakland Cemetery. The stone is heavily damaged due to the elements but I could trace with my finger over the letters & it spelled, “Danl Conard 37th IA Inf Co D.” Since there were no other Conard or Conrads in that regiment, it is indeed our ancestor. We may never know why he was nicknamed Daniel.
